RAISE PAY FOR LABOR

That the demand for railroad employes created by the construction work on the rival lines being built up the Deschutes is being felt by the O. R. & N. is evidenced by the fact that it has been announced that the company is offering a bonus to the employes who remain in the service of the company up to November 1. The bonus applies only to those employed in the track department, affecting all section and extra gang crews.

The bonus consists of a cent and a half for each working hour for each man between now and November 1, on condition that the man remains in the employ of the company until that date. This equals an advance in wages of 15 cents a day.

It is thought that the company is taking this means of granting the men an increase in wages without seeming to have yielded to the demand. At present the schedule of wages paid is as follows:

Japs, \$1.40; Greeks, Hungarians and Italians, \$1.50, white men, \$1.50.

An Ideal Cough Medicine.

"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. White, of Gwynneville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting cases of croup and coughs of children. It contains no opium, chloroform or any other dangerous ingredients. It is safe, pleasant and efficacious remedy for the ills it is intended." For sale by all good dealers.
