They were under the impression, as many more homeseekers have been, that the land in the Grande Ronde valley had to be irrigated before it would yield at all. They were soon relieved of this idea by local boosters and were agreeably surprised at the resources of this county.

The personnel of the party is, Messrs and Mesdames Ronell and Olsen

### FRUIT FAIR IS TALKED OF

SPLENDID FACILITIES AT HAND ARE BIG AID.

Would be Combination Affair Benefiting Everyone. (From Union Progress.)

There is some talk of the business men, farmers, fruit growers and stock men getting together soon and taking up the matter of holding a fair some time in October. We have a first class half mile track and with the expenditure of a reasonable sum of money we could hold a two or three days fair that would be a credit to not only the town, but the county, as we have the best land in the northwest, and produce the finest grains, grasses and vegetables on the coast. Our live stock cannot be beat in the Inland Empire. We ask every resident in the valley to come in with their stock and produce should the fair be pulled off.
