

Notice of Annual Fair.

The management of the First Eastern Oregon District Agricultural society, wishes to announce that the county fair will be held this year at La Grande, beginning October 4th, and lasting one week.

The new catalogue will be out now in a short time, the cause of the delay so far has been due to the effort to get the Wallowa county people to join us and combine the two fairs.

The new catalogue will be practically the same as the old one, but with this exception, many of the premiums have been raised and new features added, and also a large special list of premiums will be offered by the business men of La Grande.

Get your exhibits ready for the largest fair that Union county has ever had.

DRILLING

There are several kinds of drilling but the kind the kind that makes the farm pay is the drilling which makes water available. There is no need of a dry farm. The task is not so great as you may think. I have had years of experience and understand the well business thoroughly.

TWO MORE FROM PLANT

TWO MORE MESSAGES RECEIVED FROM E. PLANT.

Traded His Home-Made Auto For Four Cylinder Ford.

Two more letters have been received from Robert Plant, who started from here a short time ago for Medford in a home-made auto. He has been having good as well as hard luck on his journey. The following are the letters:

Pendleton, Oregon, Kinsley & Coger, Dear Sirs:

We landed here Friday morning, and we certainly had a hard time. I traded my machine even up for a four cylinder Ford. I did not beat the fellow, Oh no. I certainly skinned him. We shall be ready to start Sunday morning.

We had to build roads and everything else to get here. I had just got my machine in repair when I stumped the fellow for a trade.

Yours Resp., Robert Plant.

From the other letter it seems that he is having some trouble with his new machine. Here is the letter:

Echo, Oregon.

Dear Sirs:

We left Pendleton at 8 a. m. and arrived at Echo at 5:30. We had trouble with our machine on account of batteries. I consider that I made \$500 in the trade. We broke a hanger on our engine, but we can fix it in the morning in a little while. We had some awful roads today, chuck holes and sand half way to the hub. We expect to make The Dalles tomorrow.

Yours Resp., Robert Plant.

BROTHERS MEET AGAIN

CHATTIN BROTHERS HAVE A BIG REUNION.

Four Brothers in Civil War And Were Not Hurt.

The touching story of how four warrior brothers met at the Salt Lake reunion as told by the Salt Lake Tribune, is an interesting one because, chiefly it concerns two men of this county. The story follows:

When the bombardment upon Fort Sumpter occurred, which inaugurated the civil war, there lived in Marion, Lyon county, Iowa, the Chattin family. There were four boys in that family and they responded to the call of the president and enlisted for service to defend Old Glory and to perpetuate the union of states. They did not enlist at the same time nor in the same regiment. Three of them were in the infantry and one of them in the naval service. They served through the war.

These four brothers are H. C. Chattin, aged 76 years, who now resides in Missouri, Mont.; J. F. Chattin, aged 73, of Summerville, Oregon, and C. F. 70, of Somerville, Oregon and C. F. Chattin aged 61, of Elgin, Oregon. J. F. was a member of Company A. Twentieth Iowa infantry; W. R. of Co. A. Sixth Iowa infantry; C. F. of Co. E, Forty-sixth Iowa infantry and H. C. on the gunboat Benton, which was attached to the lower Mississippi squadron.

These four brothers, remarkably went through the war unscathed and during their service neither was ever ill. W. R., participated in twenty-seven engagements and his term of service was four years.

After the war, when they returned to their homes, they separated. Two of them, W. R., and C. F., started west for Oregon. This was in 1867. They drove overland and came via Salt Lake. Here they camped for several days, their camping place being emigrant corral. That was forty-two years ago. They continued their trek to the Northwest and both settled in Oregon. H. C., the oldest of the four went to Ohio and four years ago got the western fever and migrated to Montana. J. F., remained in Iowa and lo-

cated in Anthon.

From the date of their separation, forty-two years ago, W. R., and John had not seen each other and H. C., and John F., had not seen each other for forty-years. The Forty-third annual encampment of the Grand Army drew these four brothers together and on Monday they met in Salt Lake City. There were four men who embraced each other and clasped hands like they did in the long ago. It was a happy reunion and they enjoyed the visit as did no others who were in attendance upon the encampment.

The four brothers were quartered in the Fremont school. There they bunked together like they did three score years ago, and they were happy—oh, so happy.

The two brothers who were in Salt Lake forty-two years ago have not been in Salt Lake since then. W. R. Chattin took his first ride in an elevator Tuesday, when he, with his brothers, left the Tribune editorial rooms and went down the elevator.
