Planned to Destroy Ships.

LONDON, Aug. 19.—It was learned today that the British secret service men have found conclusive proof that the dynamite found in the bunkers of the battleships "Lord Nelson" and victorious Duke of Edinburgh, was the result of a deliberate attempt to destroy the vessels.

Carefully prepared bombs were found the same as those used at the mines where it was first supposed to be dynamite accidentally mixed with coal. Coal in all vessels is being removed.

DIXIE DAY AT SEATTLE

SEATTLE, Aug. 19.—(Special)—A large number of prominent southerners are in Seattle and will remain over for the Dixie Day celebration at the Alaska-Yukon-Pacific exposition, August 24.

Among the list is Governor Albert W. Gilchrist of Florida, who will be one of the speakers in the afternoon exercises at the natural amphitheatre. Admiral R. C. Hollyday, chief of the bureau of docks and yards at Washington, D. C., is another big man from the southern states. Judge W. C. Caldwell of Trenton, Tenn., is one of a party of over 100 who are at the exposition from that state. Judge Caldwell tried the famous night riders case. In Judge J. E. Robbins, of Mayfield, the fair is entertaining another celebrated southern jurist. He sat on the bench before which Caleb Powers was tried for the assassination of Gov. Goebel.

The Dixie Day celebration will be one of the biggest events at the exposition. Permanent offices have been established at Room 914 in the Alaska building at which all southerners in the northwest who will be present at the day are registering.

From the present indications over twenty-five thousand will take part in the program of the day. The largest reunion of southern veterans held in recent years will take place on Dixie Day. The "Rebs" will hold a series of drills in the stadium.

The ball in the evening at the Washington State building will be conducted on strictly southern lines.

"Man to Man" Tonight.

Although last night was the fourth performance of "Flag of Truce" there was no noticeable difference in the size of the audience. As on the previous evenings, every one seemed well pleased with the play and players. Tonight the four act sensational comedy "Man to Man" will be given with a bright cast and a bunch of clever specialties.

"Man to Man" will be found a jolly play, full of dash and ginger. The comedy, of which there is plenty, has been mixed with the blood and thunder plot, and with the sprinkling of pathos that the author has thrown in here and there, it makes a performance of the lighter class that will please all.
