E-BU-SA—THE ONLY LAWFUL PILE CURE.

Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-BU-SA cures piles. U. S. Dispensary recommends every ingredient of E-BU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or narcotic pile medicines is illegal because they effect the brain and spinal marrow; produce constipation and never cure. Only druggists of highest standing sell and endorse E-BU-SA.

BITHULITIC
THE CHOICE

BAKER ORDERS PAVEMENT OF SEVERAL STREETS.

Decide to Use Popular Material For Its Pavement.

At an adjourned session of the city council last night contracts were awarded for paving Front street, storm sewer construction awarded to J. G. White and about thirty blocks of cement sidewalk were ordered built, says the Baker City Herald.

"That is going some," said an old time resident of Baker City who was in attendance at the meeting. "This has surely been a meeting that accomplished something. Less than an hour was consumed and business was transacted to the amount of almost a hundred thousand dollars. I have been in attendance at meetings of the Baker council in years gone by when an item of four dollars would stick the session until nearly midnight."

Bithulitic Was The Choice.
 When five members of the city council voted last night for bithulitic pavement at a cost of \$2.35 per square yard, they did so with full knowledge of the history of that particular kind of pavement and with a further desire of not wishing to try any new brands when they were certain of the merits of one with which they were thoroughly familiar.

Hassam pavement was offered for \$2.00 per square yard with excavation, extra, and Granitoid was offered for \$2.66. Jos. J. Hellmer, one of Baker's attorneys, appeared for the Hassam people and argued to the council the merits and economy of using that kind of paving. His remarks were carefully made and his speech was received with the utmost respect. He closed his talk with an admonition to the common council regarding the maintenance of the paving and suggested that the whole matter be delayed until bids could be tried to cover this point.

NO GAME ON
NEXT SUNDAY

Consolation at the wonderful showing of McCreddie's bunch down south, is about the extent of solace for local baseball fans these days, it seems there will be no game here next Sunday. Grant Lincoln has not been apprised of any team's coming to this ball games here of the faster sort city, and it is safe to say that base will be limited in numbers hereafter. What the other teams of the four-club league will do has not been made known yet. Something may show up here before Sunday, but today indications point to another holiday in baseball circles.

SHOWS GOOD JUDGMENT.

Pastime's Production of "Man to Man" Is Well Received.

Mr. Curtiss displayed good judgment in selecting "Man to Man" as an end-week bill for his stock company. The popular little Pastime theatre was filled to overflowing for the first performance of this delightful play last night, and indications are that the audiences for tonight and tomorrow night will be fully as large. The company made a hit in the play from the first to the last and all left the house with nothing but praise for those who's names make up the cast.

Miss Lucile Tucker made a host of new friends by her clever performance of "Pansy" and the same may be said of Miss Natino, who looked and acted the part of "Rose" to perfection. Russel Harrison made a swell looking "Dan", while Mr. Leonard and Mr. Baker concocted vile plots, only to be outwitted in the end, to the satisfaction of all.

Mr. Curtiss came in for a liberal share of applause for his artistic impersonation of "Jason." The specialties were all good and greatly enjoyed.
