

Notice of Annual Fair.

The management of the First Eastern Oregon District Agricultural society, wishes to announce that the county fair will be held this year at La Grande, beginning October 4th, and lasting one week.

The new catalogue will be out now in a short time, the cause of the delay so far has been due to the effort to get the Wallowa county people to join us and combine the two fairs.

The new catalogue will be practically the same as the old one, but with this exception, many of the premiums have been raised and new features added, and also a large special list of premiums will be offered by the business men of La Grande.

Get your exhibits ready for the largest fair that Union county has ever had.

"I take great pleasure in testifying to the results of Chamberlain's Cough medicine. WEDDING AT THE FAIR

If any young couple who are seriously contemplating marriage in the near future will communicate with J. E. Reynolds, of this city, they will learn something which will be of great benefit to them.

Financially there are several of the young men of marriageable age who desire greatly to take with them a "better half", but have been held back on account of not being able to set up housekeeping. If any one of these will follow the above instructions, they will learn something that will remove this barrier, for at the coming county fair there is going to be at least one public marriage if the proper and requisite candidates can be found. To make the thing worth while the committees in charge of this wedding have looked after a prominent place on the program for this marriage. Speak up, don't be bashful.

S.S.S. MAKES A LASTING CURE

Not only its proven ability to cure, but its absolute safety as a remedy has made S. S. S. the most extensively used of all medicines in the treatment of Contagious Blood Poison. Unlike the strong mineral mixtures which temporarily remove the outward symptoms and shut the disease up in the system, there to carry on its destructive work on the delicate and vital organs, S. S. S. strikes directly at the root, and by purifying the blood of every trace of the virus, completely and permanently cures the trouble. S. S. S. is Nature's blood purifier, harmless in its action and certain in its good results. It is made from a combination of roots and herbs, each of which has a definite and specific action in purifying the blood. Years were spent in selecting and proportioning the different ingredients, but when S. S. S. was perfected it soon demonstrated its superiority over all other blood medicines, and now, after 40 years, it is still the one and only certain cure for Contagious Blood Poison. While driving out the poison from the circulation S. S. S. builds up and strengthens the system by its fine vegetable tonic effects. If you are suffering with Contagious Blood Poison S. S. S. is your most certain reliance, and because of its freedom from mercury, potash or any other mineral, it is absolutely safe for every one. Home treatment book with valuable suggestions and any medical advice sent free to all who write.

DRILLING

There are several kinds of drilling but the kind that makes the farm pay is the drilling which makes water available. There is no need of a dry farm. The task is not so great as you may think. I have had years of experience and understand the well business thoroughly.

Good Clothes

Men, as well as women, like to be well dressed, but many of them don't know how to go about it. The majority of clothing stores can't help them much, either—they clothe them, 'tis true—but they certainly don't dress them.

And That's Where This Store comes in!

We dress men well—we spare no pains to do it. Clothes quality, these days, counts for as much as price in the way of an inducement, when asking for patronage.

QUALITY DETERMINES SUCCESS.

Quality indicates the man; Quality makes the merchant; Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right prices.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use? It isn't just things you're after. You want quality, articles of merit, and things that are pure and wholesome. This is not a little, dingy place. It's a drug store with lots of good goods for good people. It's a drug store of quality, and the best in the beginning is the cheapest in the end. Business principles that are broad, honorable and fair to all, form the keystone for a united friendship.
