EVERYBODY A BOOSTER

Everybody in the west, or especially Eastern Oregon is trying aside everything else and boosting for their immediate vicinity is the opinion of a Pennsylvania tourist who passed through La Grande this morning. In conversation with a local booster this morning while a diner was being hooked on No. 10, he said: "Everybody in this country is either the biggest liars in the world or you have a second promise land, every where that I go I hear of the wonderful resources of the country, and here in La Grande they are even worse than other places."

The local booster assured the man if he would stop off a few days he would convince him in a practical way that we have got a second land of Canaan. But the man went away, shaking his head and remarked that if the east, as old as it is, had done the boosting the west has, people would be so thick that they would all starve.

OREGON IS BEST THERE

Fair Commissioner and Mrs. C. D. Huffman and daughter Etha, returned this morning from a visit to the Seattle fair. Mr. Huffman states that Oregon fruit exhibits are the best at the fair. He says that California visitors cannot believe that the fruit on exhibition there was grown last year. He also states that William Hall is doing the finest kind of work for Union county, but is very desirous of securing more exhibits, especially apples. He will take any kind of the best exhibits in Union county, and urges the growers to send him immediately the best he has.
