

## Mothers, the Time Has Come to Get Your Boys' School Suits

Single or double breasted knicker suits for the older boys; sailor and Russian styles for the little fellows.

If you get an **XTRAGOOD** suit, you get one that is durable. It will outwear most any other make. It will look well longer. It will be economical.

Boys in school are hard on their trousers. That's why you should get **XTRAGOOD**. All **XTRAGOOD** trousers are lined throughout.

Boys can't rip **XTRAGOOD** trousers. The seat seams are re-inforced by tape and sewed three times. All seams are "overcast" to prevent raveling.

These trousers also have patent waist bands. An elastic device takes the strain from the cloth and makes it impossible for the garment to rip or tear.

These clothes, the kind we sell, are best suited for your boy. Patterns are attractive and there is all the style you want. Made for us by Ederheimer, Stein & Co., the leading boys' house.

## SHOW SPIRIT AT FAIR

SEATTLE, Aug. 31.—(Special)—The registers kept in several buildings at the exposition serve, not only the purpose of bringing together friends, but give the visitors to the fair an opportunity to say what is on their minds.

In the column devoted to "remarks" are many queer things. At the Yakima building the register is prominently placed and nearly everybody registers. W. A. Miles of Pike county, Missouri, announced under the head of "remarks" that he was "all the way from Pike." Philip Costello said "Chicago is good enough for me." S. S. Myers of Spokane, remarked as follows:

"Ahead of Wenatchee, the home of the big red apple." This angered Miss Marguerite Greeman of Wenatchee, who resented the slam on her home city as follows:

"We have larger apples than you." Thomas F. English of Springfield, Mass., said:

"I will leave the remarks to my wife." D. J. Forest of Johnston, Pa., simply said "Tired" and E. B. Waters, wife and baby, Bremerton, put down "hungry" in the remarks column.

These remarks serve as an interesting study of the people who visit a great fair. Such comments as "hungry" and "tired" are not infrequent, but many are more optimistic. David B. O'Mullen, Prince Edward, Island, Canada, remarked: "Excellent exhibit."

## WATER BONDS HERE TODAY

MUST BE SIGNED BY MAYOR AND RECORDER.

Each Bond Divided Into 40 Coupons—  
to be Sent Back.

Actual Beaver Creek water bonds, floated by the American Light & Power company, are in the city recorder's office to be signed by Mayor M. K. Hall and Recorder D. E. Cox. With the attachment of these two names on the bonds, they become face value.

The bulk consists of 160 separate bonds of \$1,000 each and each bond is divided into denominations of 40 \$25 coupons each of which bears the lithographed signature of the mayor and recorder, making a total of 6400 signatures of that description. As the actual appending of signatures by the mayor and the recorder are only needed on the bond proper and not the coupon, there are but 160 signatures to make.

As soon as these names are affixed the bonds will be sent back to the buyers.

### WHEAT MARKET IS SLOW.

With export wheat weaker, by a trifle, the last two days, Union county wheat markets are not active. Prices continue to remain about the same varying up and down with little indication of material changes either way for the week.

Though several big sales are being negotiated, the mills have not made any purchases this week worthy of mention. Apparently there will be but few deals consummated unless it is later in the week.

### Steamer Wreck Found.

HAVANA, Aug. 31.—The steamer Nicholas which left here on August 21 with 26 men, and two passengers was found a total wreck on a reef off the Isle of Pines today. Indications are that the crew and passengers perished when the vessel was struck. Ten bodies of the crew were found.
