S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S. given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S. S. S. is the only medicine for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under its purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free. AGED LADY CARED FOR

Mrs. Carlisle, an aged lady of Weston, who was delayed here yesterday on the account of the washout at Durkee, was sent on her way on the first train that left La Grande for the east yesterday in a great deal better condition than in which she arrived. She came in on No. 11 and when that train was sent back to Portland she was left without money enough to pay for lodging. She was found in the depot by Mrs. C. S. Van Duya, who immediately notified the railroad officials, who sent her to the Blue Mountain House for the night. Yesterday morning Mrs. Van Duya notified the Commercial club and the ladies of the town in regard to her condition. At a meeting of five members of the Commercial club a purse was made up and sent down to her. The ladies also responded liberally, and the aged lady was sent on her way rejoicing.

She was bound for Kansas City from Weston, with only \$1.50 to pay her expenses. She was sent by her son at Weston to another son at Kansas City.
