

REST--ROMP--RECUPERATE At The Seashore

NORTH BEACH

Is a delightful resort and a happy combination of pleasure ground possibilities. An ideal climate, diversion of recreation—perfect bathing—boating—fishing—riding—driving, and exploring, make North Beach the most charming and popular play ground on the North Pacific Coast.

THE O. R. & N.

HAS A SPECIAL SUMMER EXCURSION RATE TO NORTH BEACH POINTS OF

\$16.15

FROM LA GRANDE, ORE.

Remember this will give you the daylight ride on the Steamer T. J. Potter down the Columbia river. Ask for our booklet "Outing in Oregon."

J. H. KENNEY, AGENT O. R. & N. CO., LA GRANDE, OREGON.

WM. McMURRAY,

General Passenger Agent, Portland, Ore.

SANDRIDGE CANAL BEING SURVEYED AT RAPID RATE

By noon today, three miles of what is believed to be a permanent survey for the north ditch line that will irrigate the Sandridge country, will be permanently run. At the board meeting last evening, Engineer Darley reported nearly three miles finished, and by noon today, that distance was reached. The principal item of interest in this connection is that the present steps indicate where the intake for the north ditch will be judging from the topography of the ground and the steps taken by the Engineer,

the north side canal will start just below the Oro Dell dam. At that point the canal will have sufficient height to get out on the Sandridge easily. The work of the surveying gang is progressing rapidly and without delay of any kind.

So rapidly is the work being done on the canals and laterals ditches, that it has now become a very certain fact that the ditches will all be dug during the coming fall and early winter, and be entirely complete when the dam is finished.

ARE WELL KNOWN HERE

INVENTION NECESSARY TO EVERY HOME IN STATE.

Arnold Bros And F. S. Stanley Familiar Names in City.

La Grande citizens have reason to feel proud of the success that is assured to fall to the lot of the inventor and members of the Safety and Economy Damper Co., from the fact that they are well known successful business men. The inventor Mr. A. W. Arnold lived here many years and always maintained the height of business and social respect. F. S. Stanley, who for years held large financial interests in the Grande Ronde Lumber company, and represented this county in the legislature, is vice president, and the secretary and treasurer. F. E. Arnold, is a graduate from the La Grande high school, and was in the employ of the La Grande National bank for sometime. A. W. and F. E. Arnold are sons of W. D. Arnold, a well known and highly respected business man, who was in the lumber business for many years in Union county, and who was county commissioner for two consecutive terms. The firm of Arnold, Arnold & Arnold, are successful timber dealers of Portland, Oregon.

The high business standing of the members of the Damper company, is such as to insure success. They are not dreamers, but shrewd careful business men, who know a good thing when they see it. Every one who read their advertisement in this issue can readily see why such a useful article will have such a tremendous large sale. The cost is trivial, the saving of fuel every month in the year will more than pay the cost of installation; the evenness of temperature and the safety, are all features that appeal to common sense. Thus we say Union county naturally takes pride in the success of their former citizens.

A. W. Arnold has secured valuable patents on his invention by going before the United States Patent office in person and insisting on broad and well protected patents. He also visited several departments of the United States government with his invention, and by all it is considered as an article of very great merit and value. He also took it before very able heating experts of New York City, who gave it the greatest praise.

C. W. Nibley of Salt Lake City, who is well known in the Grande Ronde valley, says: "The invention is a blessing to humanity."

Mr. Arnold will be in La Grande a short time endeavoring to interest capital here and will make his headquarters in the office of McKennon-Phy-Roberts. He hopes to place quite a block of the stock here as he considers he is giving his friends an opportunity they do not often get.

Hoo Hoo Concatenation.
HOT SPRINGS, Ark., Sept. 8.—Somewhere in Hot Springs today, safely concealed from the sight of reporters and other curious persons, is a sacred cat. To worship this sanctified feline, hundreds of wealthy, sober-minded business men have traveled hundreds and even thousands of miles and are arriving in the famous Arkansas resort city today. The occasion of this pilgrimage is the annual concatenation of the National Order of Hoo Hoo, a fraternal organization of lumbermen which has members all over the United States, Canada and Mexico.

The real business of the concatenation will commence tomorrow, in accordance with the rule of the order making the ninth day of the ninth month the date of meeting. The deference to the number nine on the part of the members is in regard for the nine lives of the sacred cat. The fact that this year has two nines is considered especially auspicious.

The first concatenation of the Hoo Hoo was held at Gurdon, Ark., not far from Hot Springs. One of the principal features of the meeting will be a pilgrimage to the birthplace of the order, where a memorial tablet will be dedicated to forever mark the spot. This tablet was designed and made by Julius Zolnay, the celebrated sculptor, of St. Louis.

This trip is to be made on a special train on the afternoon of Thursday. Another special feature is to be a general banquet, open to all members and to the ladies accompanying them, and to which a number of prominent citizens who are not members of the order will also be invited. Among the entertainment features will also be numerous rides about the famous Hot Springs government road, numerous theatre and card parties for the ladies, and an old-fashioned barbecue. About fifty Memphis lumbermen will attend the Hot Springs meeting.

One acre near Glencoe turned off 134 bushels of oats.

Field of wheat near Lebanon went 44 bushels, another 40.

Bankers Discuss Socialism.
BEDFORD SPRINGS, Pa., Sept. 7.—A criticism of Socialism by Professor Edward Sherwood Meade, who occupies the chair of finance at the University of Pennsylvania, was the feature of the opening session today of the Pennsylvania Bankers' association. The annual banquet of the Pennsylvania financiers will be held tonight. The meeting will be concluded tomorrow, when State Treasurer Sheatz will talk on "Taxation."

The United Press association gets all of the news, when it is news. Read it in the Observer.

A Fine Stock Ranch FOR SALE

In Antelope Valley, 1 1/2 miles southeast of Telocaset, 320 acres, of which 240 acres is in cultivation, the balance pasture land; 100 inches of water right; a new 6 room house, good barn and other out buildings; two good springs a small orchard. The Oil Stove With a CABINET TOP

The New Perfection Wick Blue Flame Oil Cook-Stove differs from all other oil stoves.—It has a CABINET TOP. This means you can keep dishes and utensils within easy reach while cooking, and can keep food hot after removing it from the blaze.

From its wonderful burners to its racks for holding towels the

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is without equal. Its principle of concentrated heat means that the work can be done quickly and without the kitchen being heated to an unbearable degree. Can be lighted instantly and turned "high," "low" or "medium" at will. Three sizes. With or without Cabinet Top. At your dealer's, or write our nearest agency.

The Rayo Lamp

comes as near lamp perfection as it's possible to get. Gives a clear, bright light that reaches the farthest corner of a good-sized living-room. Well made throughout of milled brass; perfectly safe and very ornamental. If not with your dealer, write our nearest agency.

Notice of Street Improvement.

TO WHOM IT MAY CONCERN: Notice is hereby given, that in pursuance of a resolution duly passed by the Common Council of the City of La Grande, Oregon, on the 5th day of August, 1909, creating improvement district No. 1, and designating Adams avenue as said improvement district, and declaring it to be the intention of the said council to improve all that portion of said Adams avenue, from the west side of Hemlock street east to the city limits by macadamizing the same, the Common Council of the City of La Grande, Oregon, intends to levy special assessments on the property included in the above described boundaries, for the purpose of improving that portion of said Adams avenue above described, by macadamizing the same, in accordance with the specifications made by the City Engineer and on file in the office of the recorder of the city.

Notice is further given, that the estimated cost of said above mentioned improvement, is the sum of \$5600.00. Notice is hereby further given, that the Common Council of the city will meet on the 13th day of September, 1909, at the council chamber, at the

hour of 8 o'clock p. m. of said day to consider the proposed levy of said special assessments, and to give any person feeling aggrieved by reason of said proposed assessments, a hearing before the council La Grande, Oregon, August 27th, 1909.
Common Council of the City of La Grande, Oregon.
By D. E. COX,

(A-31-9-13) Recorder of the City of La Grande.
