**NOTICES FOR PAVING OUT**  
SEPT. 27 IS DATE FOR TO HEAR PAVING REMONSTRANCES.  
Separate Action Than That From Macadamizing to be Taken Soon.

Elated over the general feeling of unanimity among taxpayers about improving Adams avenue, the council today issued notices that on Monday, September 27, a special meeting will be held to consider remonstrances, if any exist, against paving with hard surface pavement, the main portion of Adams avenue. This action is in accordance with a majority of the people who are anxious to bring paving to a successful culmination.

There is a world of red tape in connection with the special assessment levy, but it is as old a system as any ordinary procedure, having been used 100 years ago in New York City.

(Special to the East Oregonian.)  
Geo. Hillman, an O. R. & N. engineer, who lives in La Grande, visited McKay last week. He was accompanied by a Mr. Moore. George has promised to come again this fall and bring his wife.

**World's End Due Tomorrow.**  
PORTLAND, Me., Sept. 14.—The North Pole was discovered just in the nick of time. After 10:30 a. m. tomorrow there won't be any North Pole. Incidentally, there won't be any world. This statement is made on the authority of the leader of Maine's most famous sect, The Holy Ghost and Us Society, who predicts that the world and all that is in it will come a final and glorious wind-up tomorrow morning. The prophecy was made at Cape Town, Africa, where the founder of the peculiar sect stopped over while on his recently completed holy junket. He is the Rev. Frank Sandford, alias "Elijah, the Uncrowned King," as he prefers to be known.

Today the Holy Ghost and Us Society followers are making preparations to don the pure white robes, go up to the housetops of their colony in Shiloh and await the dread moment. When it comes they expect to see the sky go to smash, the earth rashed into smithereens and they themselves transplanted into the realms of bliss, while all others pass into destruction.
