

Notice of Annual Fair.
The management of the First Eastern Oregon District Agricultural Society, wishes to announce that the county fair will be held this year at La Grande, beginning October 4th, and lasting one week.
The new catalogue will be out now in a short time, the cause of the delay so far has been due to the effort to get the Wallowa county people to join us and combine the two fairs.
The new catalogue will be practically the same as the old one, but with this exception, many of the premiums have been raised and new features added, and also a large special list of premiums will be offered by the business men of La Grande.
Get your exhibits ready for the largest fair that Union county has ever had.

FIX PLANS FOR AGAME

Enterprise's high school football team will be in La Grande, Thursday of Fair week, which has been given over to the Wallowa people, and commencing at 4:15 in the afternoon, will formally open the football season in La Grande by facing the local squad. This hour was agreed upon last evening at a conference of local football managers and the fair people.

It was planned to hold the game at high noon, but the school authorities were adverse to closing the school and the latter hour was chosen as the most suitable. The football game will be a fitting climax to the afternoon program now being arranged.

MYSTERIES AT STEWARD

Commencing tomorrow night, La Grande is to see at the Steward Opera house a mass of spirit work when the Alburus-Zarzulla stunts will be present for three nights. The Baker City Herald, speaking of the mysterious ones at Baker, says:

Hypnotic performances as a rule are like circuses—all built on the same lines, but the Alburus-Zarzulla series of stunts that were uncovered last night at the Baker theatre were out of the rut and unmistakably pleased the large audience that was present. Unquestionably the best and most mystifying feature of the largely supernatural entertainment is the work of Arzullia—the blonde young lady with the winning smile who has been artificially dozing in the Alexander window for the past two days. She and her couch were transferred last evening to the theatre and after Manager Randolph and a lad had amused the audience with some rapid fire minstrel jokes, Alburus very rudely disturbed the fair Arzullia's dreams and with a few passes and earnest low down talk, restored her to a state of consciousness. She took a spin out into the wings to see if she were on mother earth or in spirit land and after having changed the speckled Plignoir for a Grecian robe, returned nimbly to the stage and having placed herself in a Mesmeric state, Trilby was ready to do business. And she certainly delivered the goods.

FAIR BUILDING RISING.

Splendid Headway Made With Biggest House in Union County.
Aided by favorable weather, a large crew of carpenters is able to make satisfactory headway on the construction of the longest building ever constructed in Union county, which is to house the stock and various exhibits at the coming county fair.

A great quantity of timber has been strewn along the streets at Washington, Greenwood and Fir, with the result that traffic has been shut off. The outline of the stringers had been made out and with the same speed exercised thus far, maintained for another week, there will be little left to do on the huge fair hour.

S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S. given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no mineral in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free.

Facts About Diarrhoea.
Diarrhoea, although an inflammation of the mucous membrane of the intestines, is also due to interference with nerves—for nerves control blood supply and drainage and it is to the improper regulation of these that inflammations are due. These nerves in charge of blood circulation are known as vaso-motors, but often other nerves are affected as well in diarrhoea. Frequently, too, diarrhoea is symptomatic of other disease; and it is even sometimes the case that long continued constipation will cause diarrhoea—through the poisons generated in the system by it.
In a large number of cases the Osteopath can check the trouble by one treatment, and sometimes no more are required; the acute form of the malady seldom requires more than a few treatments. Chronic diarrhoea of course calls for longer treatment, but remarkably quick results are nevertheless achieved.—Osteopathic Advocate.

Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy.
Mr. Frank C. Hanrahan, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference."
