"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872 and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for eighteen years, and never start out on a trip without this, my faithful friend," says H. S. Nichols of Oakland, Ind., Ter. For sale by all good dealers.

CARAVAN HAS STARTED

An exodus of Knight Templars and Mystic Shriners to Baker City has commenced, when two automobile loads left La Grande today to attend the grand lodge of the Oregon Knight Templars and the meeting of the Mystic Shriners of this state. Eminent Commander Russell and family departed in one auto for Baker City today and J. E. Reynolds and family in another party to make the trip by auto. Before tomorrow noon several auto parties will have taken their departure for the journey to the haven of Shriners and Knight Templars. The grand lodge convenes tomorrow at 10 o'clock, and it is the intent of the many who are going from here to take the trip with the special train which will pass through here tomorrow morning from Portland, carrying the Al Kader Shrine members.

MINISTER IS COMING

The Rev. T. M. Canfield of Baker City, has been assigned to the La Grande South Methodist church by the conference of this district, which has just closed its session at Spokane. The Rev. Mr. Canfield will be on hand at once to take up his work.

The Rev. A. L. Thoroughman, who for the past four years has been the influential pastor of the Walla Walla church, was made presiding elder of the Spokane district. The complete list of appointments for the district, including Walla Walla and Eastern Oregon, is as follows:

ROAD WORK PROGRESSING

Bridge Superintendent Campbell came in last evening from his work on the roads up the Grande Ronde river and reports great progress being made with his two crews. The piers of the Oro Dell bridge will be completed by tomorrow easily. Orders for the steel spans have been delayed by the shippers and will not arrive until about October 15. Long before that time all will be in readiness for putting the spans so it is assured that the bridge will be ready for use shortly after that date.

The work above the bridge which was started about a year ago will be completed in a few days. When this is done the channel of the river will have been straightened and all the bridges that were washed out will have been replaced.
