Chamberlain's Colic, Cholera and Diarrhoea Remedy Never Known To Fail.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872 and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for eighteen years, and never start out on a trip without this, my faithful friend," says H. G. Nichols of Oakland, Ind., Ter. For sale by all good dealers.

WILL ANSWER ARTICLE.

Local Minister Will Discuss Recent Periodical Story on Churches.

One of the most interesting sermons in store for the people of the city in the near future will be one of the ministry by the Rev. Dr. Seemann of the Presbyterian church. The discourse will be in answer to an article appearing in the "Woman's Home Companion."

The article was headed, "Why I Left the Ministry" and told of insincerity financially, intellectually, and socially being forced upon him by the established ideas of the people regarding the church and religion. Considerable interest has been taken in the story of the young retired clergyman.

For this reason Dr. Seemann has decided to answer some of the thoughts expressed in the article. The subject will be handled one week from next Sunday evening.

Increase Register Fee.

That it will cost two cents more to register a letter after November first, than before is the announcement being sent out by the post office department. Instead of eight cents the fee will be raised to ten cents.

Beginning with the same date, the United States will assume a maximum liability for registered matter of \$50, instead of \$25. Announcement had been made earlier of the proposed change, but the first official notification has just been received.

The change will involve no additional work in the office, except to explain to patrons who have not yet been acquainted with registry rates proposed.
