

#### Notice of Annual Fair.

The management of the First Eastern Oregon District Agricultural Society, wishes to announce that the county fair will be held this year at La Grande, beginning October 4th, and lasting one week.

The new catalogue will be out now in a short time, the cause of the delay so far has been due to the effort to get the Wallowa county people to join us and combine the two fairs. The new catalogue will be practically the same as the old one, but with this exception, many of the premiums have been raised and new features added, and also a large special list of premiums will be offered by the business men of La Grande.

Get your exhibits ready for the largest fair that Union county has ever had.

F. M. HUFFMAN, Sec.  
First E. O. Dist. Agri. Society, La Grande.

We have a large amount of old papers which we must get rid of in some way. They are good for underlating carpets, for covering shelves, and anything for which waste paper is used. They are tied in large packages waiting for you. If you wish any call at this office.

## BIG MEETING NEXT MONDAY

Of double importance is the special meeting of the council next Monday night, for on that occasion, final action on paving Adams avenue will be taken, and bids will be opened for macadamizing the east end of Adams avenue. The paving matter is perhaps of prime importance. Promoters and friends of paving are firm in their belief that the paving proposition will succeed by reason but little objection. It is expected that perhaps one or two will come to the front with disapproval of such improvement, but it is not thought that modern improvement of the main thoroughfare will be retarded materially.

Notice of bids for construction of the paving of Adams avenue from Fourth street on the west, to the point where macadamizing commences on the east, will be issued immediately after next Monday night if the paving spirit is not nipped in the bud.

#### QUALITY DETERMINES SUCCESS.

Quality indicates the man; Quality makes the merchant; Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right prices.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use? It isn't just things you're after. You want quality, articles of merit, and things that are pure and wholesome. This is not a little, dingy place. It's a drug store with lots of good goods for good people. It's a drug store of quality, and the best in the beginning is the cheapest in the end. Business principles that are broad, honorable and fair to all form the keystone for a united friendship.

## S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S. given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free.
