## MONSTER PARADE OF LITTLE FOLKS

FIFTEEN HUNDRED AT LEAST  
WILL ATTEND.

Educational Day to See Teachers as  
Mounted Marshalls.

Plans for the most spectacular and impressive parade ever seen in Union county, are rapidly being matured by Superintendent E. E. Bragg in charge of Educational Day at the exposition. Substantial basis have been given for the expectation of 1,500 school children here on that day.

One of the unusual features of the parade will be the 20 or more lady school teachers, who are to act as marshalls of the parade. All are invited to act who have gentle horses and ride. It is imperative that the ladies ride only gentle horses regardless of their ability in horsemanship.

Hon. Terry Tuttle of Summerville, the first superintendent of Union county will have a place in the parade. Superintendent Bragg has written to Mr. Tuttle and has gained his consent to be present.

### SURVEYORS CAUSE RIOTS.

Walla Walla Russians Angered by  
Careless Methods of Men.

A Walla Walla dispatch says: Through houses, over lawns and property of all kinds, the survey of the North Coast railroad has aroused Russian residents to arms and they are ready to fight by law or force for their rights. Surveyors today reached the Russian section of Walla Walla. When residents found that the line was to cut through their property without regard to improvements or anything else, they fairly went wild. For a while it looked as if there would be trouble. Finally they decided to see lawyers. The road cuts through intersections of three streets in making a curve, and takes the property adjoining.
