A letter to me stating your location and needs will bring you all the information regarding well drilling necessary.

**R. A. WEST,**  
The Well Driller

It is not necessary to put with the inconvenience of poor sight these days—further more it is foolish to neglect having your eyes properly attended to.

If you suffer from headaches, nervousness, you will find it will pay you to have your eyes examined, as in nine cases out of ten the trouble lies there.

We can give you an expert examination—fit you with the correct glasses if they are necessary.

## MANY SEE NIGHT FAIR

Many of the Indians and Indian costumes planned for the parade last evening were not at hand when the time came for the event at 7:30, but Chief Tall Pine and a few others made up the nucleus for a parade which, in passing, gave the signal for the crowded streets to be emptied. The spectators followed the curtailed parade to the exhibition hall where for several hours, the guests were delightfully entertained. Dancing and band music, with free open air entertainments constituted the evening's pleasures. Scores endeavored to study the splendid array of curios which are on exhibit in the rink, but the most suitable time in which to study these interesting relics, is in the day time when the light is at its best.

Admiring throngs caught the fun-path spirit last evening, and immediately after the parade and its followers had entered the building, the Oriental face powder game started in an orderly manner and was continued through the evening.

The dancing pavilion is proving a popular place of amusement during the week for dancers come and go at their heart's desire, paying 10 cents for each dance.

### FARMERS HELP BUILD PARK

HARVEST BOOTH AT BAZAAR IS BACKED BY FARMERS.

Anything Grown on The Farm Will be Received by Bazaar.

The Harvest booth for the Riverside Park Bazaar will be something new in the bazaar line.

Mrs. E. E. Bragg is chairman. She has not yet appointed all her assistants, but announces the following ladies for their respective districts, the rest to be published as soon as she can communicate with them: For Ladd Canyon district, Mrs. Jas. McClure and Mrs. A. E. Peebler; Alicel—Mrs. B. F. Webb, Mrs. Charles

Playle; Grange Hall—Mrs. Dexter Eaton, Mrs. Reese McAllister; Fruitdale—Mrs. F. Tatman, Mrs. P. Thompson; Sandridge—Mrs. Fred Gaskell; May Park—Mrs. P. H. Dickinson; Starkey—Mrs. Briggs.

That the effort being made by the ladies of our city to make Riverside park a place worthy of La Grande, is appreciated by the farmers, is shown by the way they respond. No farmer who has been asked to help this booth has refused, but all have words of encouragement and approval for the site and improvements.

The plan in this booth is as follows:

The farmers are asked to give some thing raised by them, anything saleable will be joyfully received: eggs, chickens, butter, lard, meat, potatoes, cream, baled hay, wheat, oats, pigs or cows. These things will be sold and it is certain a goodly sum will be raised.

Mrs. Bragg requests that all goods, where possible, be left at Bohnenkamp's store if brought in before the fair opens on the 14th and if there are donations which can not be delivered in town, please notify her on either phone line.

The Park association is maintaining headquarters at the County Fair, in the same booth with the Pendleton Woolen mills very near to the band stand. Here is shown the plan of the park as sent for approval by W. F. Chace, landscape architect of Portland. A lady is there at all times to show and explain them to any one interested and incidentally to enroll any one as members of the association who care to join.

Not to be behind in any good work, Mr. Bishop, who is here to make a display of the products of the Pendleton Woolen mills, has given the ladies the first choice of one of his handsome Indian blankets, to be sold for their bazaar.

It will be impossible for Mrs. Bragg to see every one and any one who will contribute to this booth is cordially invited to do so. Do not wait for a personal invitation.

Be sure to call at the Park booth while visiting the county fair.

### State Division Jolted

LOS ANGELES, Oct. 5.—State division agitators received a set back last night, when a few of the many commercial bodies and organizations sent delegates to the convention for the purpose of passing a resolution favoring a separate state of Southern California. ### QUALITY DETERMINES SUCCESS.

Quality indicates the man; Quality makes the merchant; Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right prices.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use? It isn't just things you're after. You want quality, articles of merit, and things that are pure and wholesome. This is not a little, dingy place. It's a drug store with lots of good goods for good people. It's a drug store of quality, and the best in the beginning is the cheapest in the end. Business principles that are broad, honorable and fair to all, form the keystone for a united friendship.
