A letter to me stating your location and needs will bring you all the information regarding well drilling necessary.

The Well Driller

It is not necessary to put with the inconvenience of poor sight these days—further more it is foolish to neglect having your eyes properly attended to.

If you suffer from headaches, nervousness, you will find it will pay you to have your eyes examined, as in nine cases out of ten the trouble lies there.

We can give you an expert examination—fit you with the correct glasses if they are necessary.

## CHORUSES ARE READY FOR ENTERTAINMENT THIS EVENING

One of the most far-reaching results of the contribution of music to night by two local choruses, it is anticipated, will be the formation of a choral society of some nature to do regular work on good music for concert purposes and for the mutual good of the singers of the city.

In the L. D. S. chorus over 80 singers are training under Director Hood. The chorus working under Mr. Bridges at the Presbyterian church contains 40 singers and was gotten up on short notice. Altogether it is thought the city could have a chorus of 150 regularly.

### QUALITY DETERMINES SUCCESS.

Quality indicates the man; Quality makes the merchant; Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right prices.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use? It isn't just things you're after. You want quality, articles of merit, and things that are pure and wholesome. This is not a little, dingy place. It's a drug store with lots of good goods for good people. It's a drug store of equality, and the best in the beginning is the cheapest in the end. Business principles that are broad, honorable and fair to all, form the keystone for a united friendship.
