THE NEW STOCK CO.

Clever People Take the Place of the Curtis Company at Pastime.

The National Stock Co. is a worthy successor to the well liked Curtis Co., and nothing but favorable criticism has been heard.

Their opening bill "The Runaway Match," is the funniest comedy imaginable and all the seats have been taken for both performances. Miss Louise Kelly as "Mrs. Match" and Marorie Mandeville as "Millie Match" show extraordinary cleverness in these characters, while Harrington Dufay, Lynton Athey, Louis Koch and Mornay Athey depict the masculine favorites of the cast. One of the most enjoyable features of this company is the rule to put on new vaudeville specialties at every change of the program. Miss Mandeville in her acrobatic dance is the best ever seen in La Grande. "Runaway Match" again tonight.

EXHIBITS ON DISPLAY

Completely equipped with all the prize winning features at the fair in the way of grasses, grains, potatoes, fruits of all kinds and other soil products of general interest, the exhibit hall at the depot is open today for inspection. The exhibits are scattered over the entire display space in a neat and catchy manner and the general appearance is one of beauty.

The classes of exhibits were never better and it will be impossible for passengers to pass without being impressed with the array of products before them.

Chronic Headache, Curable.

The aggregate suffering from chronic headache is very great, for the disease occurs so persistently that people sometimes suffer from it through long terms of years. It is certainly lamentable that so small a proportion of such sufferers are aware of the practically certain relief and cure that awaits them through Osteopathic

treatment.

It is invariably the case that there is an anatomical cause for this trouble. True, the headaches may be largely the result of an evil condition in some other part of the body, such as the stomach; but very often they arise from local causes that can be very easily corrected. Should it be the case that they are associated with other disease, the osteopath gets at the root of the trouble by finding and removing the cause of it.

Large numbers of people who have suffered for years from headache have been completely and permanently cured by osteopathic treatment; while the acute attacks of headache can be usually be cured at once.—Herald of Osteopathy.

QUALITY DETERMINES SUCCESS.

Quality indicates the man; Quality makes the merchant; Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right prices.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use? It isn't just things you're after. You want quality, articles of merit, and things that are pure and wholesome. This is not a little, dingy place. It's a drug store with lots of good goods for good people. It's a drug store of quality, and the best in the beginning is the cheapest in the end. Business principles that are broad, honorable and fair to all, form the keystone for a united friendship.
