MUST MOVE MANY GRAVES

STERLING CEMETERY WILL BE ENTIRELY DISINTERRED.

Josh Hopper Here to Remove Body of Son Killed in 1887.

Wholesale disinterments are to be made in the immediate future at the Sterling cemetery opposite the Peach cemetery at Island City. Human bones and dust in this cemetery are, as a rule, to be moved to the Masonic and Odd Fellow's cemetery in this city.

Among the living friends of the deceased that are buried in the Sterling graveyard is Josh Hopper, the pioneer resident of this city, who a year ago moved to Umatilla county. Mr. Hopper will remove the remains of his son Albert Hopper and also of Albert Hopper's wife. Albert Hopper was killed at the Carson mines in 1887, and a month after his untimely death, his wife died and was buried at the side of her husband. These two graves will be disinterred and the remains taken to the Masonic cemetery.

The reason for the disinterment is that the title to the land has changed hands and the graves have been ordered removed.

ATTORNEYS AWAIT PAPER

FULL OPINION IN ST. JOHNS CASE IS IMPORTANT

Evident that the City can Re-adopt Charter.

The question that is agitating the minds of the lawyers of the city at the present time is that of the recent decision of the Supreme Court in the St. John's case. While the full and exact text of the decision has not been received it is generally admitted by both the prohibitionists and the "lukewarmers" that the decisions practically nullifies the local option law as far as the incorporated cities are concerned.

The lawyers are expecting to get the full opinion in about a week. At the present time it is a settled belief that a city may get complete control of the liquor business through re-adopting a charter. The decision is that under a charter adopted after the county has voted dry the city may regulate the liquor traffic for itself, providing the charter so states. The decision was written by Justice King and concurred in by Justice McBride and Slater. A dissenting opinion was written by Justice Alken and concurred in by Chief Justice Moore.

are going to the aid of their tribesman and if such should be the case a hard fought battle may be expected before another day as the posses are determined not to be thwarted in their efforts to capture the Indian.

Early Curtain at Pastime.

Owing to the introduction of specialties which consume the time between acts and also to give patrons of the Pastime an opportunity to get home at a seasonable hour, the curtain at this theatre will hereafter ring up promptly at 8:15. Several pleased audiences have seen "A Soldier's Sweetheart" and on all sides comments have been heard to the effect that the new company is as good as the Curtis company.

The biggest hit of the show, tho, is the specialty of Mandeville and Atbey in which they introduce "When we were M-A-double-R-I-E-D."

CONSIDER TARIFF REVISION. Santo Domingo, Oct. 15—Tariff re-

vision has become a live issue in the Domingo Republic and the session of congress convened today will devote its attention largely to that problem. The legislative body is about equally divided between revisionists and the "standpatters" and a hot fight is expected. Fears are expressed in some quarters that the warfare may result a revolution and the overthrow of the government. President Ramon Caceres maintain a neutral attitude.

WILKINSON CASE IS UP

NEW VENIRE NECESSARY TO GET FULL JURY.

Wilkinson case, Appealed from City Court, now under trial.

Because of the (dissipation?) of the dozen jurors deliberating all night in the Atkinson trial, Judge Knowles dismissed them until 7 o'clock this evening. This made it impossible to complete the jury for the fresh whiskey case, that of the city vs Wilkinson, appealed from the recorder's court. A special venire of six was drawn this morning.

It will be remembered that Wilkinson was convicted in the city court on a charge of selling near beer to a minor. This case will complete a week of almost steady flow of liquor troubles. The beverage has been varied from near beer to the pure whiskey.

COMFORTING WORDS.

Many a La Grande Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of La Grande readers.

J. H. Beazan, Heppner, Oregon, says: "I highly recommend Doan's Kidney Pills as I have derived great benefit from their use. I know they are a genuine kidney remedy and one that can be depended upon. I suffered from acute attacks of backache, accompanied by pains through my kidneys. I also had sharp twinges across my back when stooping and I felt quite miserable. While having one of these attacks I noticed Doan's Kidney Pills highly advertised and decided to try them. I procured a box, I used them as directed and it was only a short time before there was a great improvement. The results were so satisfactory in every way that I take pleasure in recommending Doan's Kidney Pills to other sufferers."

What an Abstract Contains.

A complete abstract of title to a given tract of land contains:

A true plat of the land. A concise statement of the transfers with ownership of the tract, in logical order, from the government down.

Special showing as to mortgages, taxes, liens, charges, or assessments of whatever kind that affects the title.

A certificate as to the search. The certificate must mean something. The abstract is of no value unless it can be relied upon. If the abstract is issued by a responsible company it will pass muster anywhere.

Our abstracts stand the test. J. R. OLIVER.

A STEADY DRAIN.

Sick Kidneys Weaken the Whole Body—Make You Ill, Languid and Depressed.

Sick kidneys weaken the body through the continual drainage of life-giving albumen from the blood into the urine, and the substitution of pois-

onous uric acid that goes broadcast through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back, gravel and kidney stones. The proper treatment is a kidney treatment, and the best remedy is Doan's Kidney Pills. Here is good proof in the following testimonial:

James M. Johnson, Main st., Union, Ore., says: "I can heartily recommend Doan's Kidney Pills, as I know they are a reliable remedy for kidney complaint. Constant standing brought on my kidney trouble and I suffered intensely. A customer first recommended Doan's Kidney Pills to me, saying that they had been the means of saving his life. I was induced to try them and in a short time, I was convinced that they lived up to representations. I have used Doan's Kidney Pills on several occasions since then and have always received prompt relief."

HOWARD HEATING STOVES

Howard wood and coal grates will burn either wood or coal

Have wood and coal grates and burn either wood or coal. No one expects to buy strictly high grade goods at the price of "cheap stuff," but some think that a high price guarantees high quality. Don't make this mistake in buying a range. Many ranges of ordinary construction are priced high or even higher than the incomparable Monarch.

WHEN YOU BUY A RANGE—

Find out what it is made of and how built! You have a right to know these things. Any man selling ranges who says, "Our range is a fuel-saver—a perfect baker," and stops here, casts a reflection on your intelligence. If these things are true of any range, there is a reason for it—a reason you can see and understand—a reason you have a right to know before buying.

We can show in a Monarch range exactly why it does what we claim. Come and see how the Malleable Iron and steel plates are riveted solidly together, insuring a tight range for unlimited time. Let us explain how tight, permanent seams are possible only in ranges where Malleable Iron is used. We can show you how tight, solid construction is necessary to everything you want most in your new range—prompt, sure service—long life—and fuel economy.
