### LONE PINE DISTRICT TO BE TRANSFORMED.

It will only be a short time until the site known for years on the railroad, as "Lone Pine" about midway between La Grande and Hot Lake will be the center of commercial activity. Where once the wild duck and an occasional coyote paused to feed, the hum of an up-to-date planing mill will soon be heard. At this point the Wilcox Lumber Company is erecting their planing mill. The 60-horse boiler and engine are in position on solid concrete foundation and the very latest improved planer is ready for the belts.

Acreage has been purchased for a large lumber yard and this is to be the shipping point of the company. The sawmill is located in Ladd Canyon about six miles distant where one of the best sawmills will soon be installed. The machinery has been shipped several weeks and is expected to arrive daily. This is to be a double hand mill with a capacity of 30,000 feet daily. The company has been quietly purchasing a large body of timber in Ladd Canyon for the past three years and has secured a sufficient quantity to keep the mill running continually for the next 15 years.

L. H. Russell is manager and is one of the busiest men in the county. At all hours of the day he may be seen speeding his auto going to the planing mill and saw mill. Quite a force of men is now employed at both places and when in operation the plant will furnish, it is said, a payroll to over 50 men. Some will be bringing the logs to the mill, the mill crew will convert them into lumber, then a string of teams will be employed hauling it to the planer and when dressed will be loaded into the cars for the eastern market.

### Eighteen Killed.

Memphis, Oct. 15.—Eighteen fatalities have been reported as the result of a destructive tornado which raged through this section last night. It is expected that the property loss will be very heavy. Fifteen are reported dead at Hamburg, Tenn., two dead at Denmark; one at Mulberry.

### Special Meeting.

There will be a special meeting of the directors of the Commercial Club in the Club rooms Monday evening, according to the announcement of President Collier this morning. Several matters of importance are to come up for consideration at that time.

### What an Abstract Contains.

A complete abstract of title to a given tract of land contains:  
A true plat of the land.  
A concise statement of the transfers of the tract, in logical order, from the government down.

Special showing as to mortgages, taxes, liens, charges, or assessments of whatever kind that affects the title.  
A certificate as to the search.  
The certificate must mean something. The abstract is of no value unless it can be relied upon. If the abstract is issued by a responsible company it will pass muster anywhere.

Our abstracts stands the test.

### QUALITY DETERMINES SUCCESS.

Quality indicates the man; Quality makes the merchant; Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right prices.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use? It isn't just things you're after. You want quality.

This is not a little, dingy place. It's a drug store with lots of good goods for good people. It's a drug store of quantity, and the best in the beginning is the cheapest in the end.

Business principles that are broad, honorable and fair to all, form the keystone for a united friendship.
