BUREAU AT SEATTLE PAYS

GREAT OCEAN OF INQUIRIES FROM MIDDLEWEST.

One of the Best Advertising Mediums - Lights at Depot Hall.

The result of the A. Y. P. and the showing made by Union county in the Oregon building seem to be manifesting themselves more prominently at the present than at previous times during the season. Inquiries are coming in from people throughout the middle west particularly asking for information in detail regarding the country.

Much interest is also being taken by travelers in the displays in the exhibit hall at the local depot. On an average of 100 people daily have been going through the hall during the morning hours while the through trains are stopped here. The lights will be in the hall ready to illuminate the exhibits by tonight.

Route For Wallowa County.

Advices from Senator Bourne, received in this city this morning, are to the effect that a favorable report has been made to the postoffice department on the rural mail route that the farmers on Prairie Creek, east of Joseph, have been attempting to get for a long time. The department has informed the proper officials that as soon as the patrons on the proposed route, through the Joseph post master, comply with the regulations, service will be ordered.

COVE AT BAKER TODAY.

Strong Cherry Picking Team Meets Baker City Eleven Today.

Baker City, Oct. 15.—That is the magic word and the magic game that will draw a large crowd to the Valley Avenue grounds this afternoon to see the high school football team play their first game of the season on the local grounds. The game will be with the Cove high school team and is expected to be about the best game that will be seen here, the Thanksgiving game, excepted. Cove has not figured very prominently in football honors. The boys are fully as heavy as the Baker bunch and a Michigan coach has been putting them through their paces so that they are playing gilt edge ball. Walters the fast quarter miler, is playing with the team and they have other men who are well versed in the fine points of the game. A hard struggle is expected and the game will certainly be interesting.

The line up of the local team will be: Finley, center; McCord, right; guard; Blum, left guard; Taylor, right tackle; Hunstock, left tackle; Borman, left end; Brown and Wisdom, right end; White, quarter; Denham, left half; Hall, right half; Jones, full back. The team will average 160 pounds and they play a hard fast game.

WON FINE SADDLE.

Union Broncho Buster Wins Honors In Walla Walla.

John D. Spain, the well known broncho buster of Union, has just returned from Walla Walla with a fine \$150 saddle which he won as first prize in a week's riding contest pulled off at the Walla Walla fair. The second prize was pulled off by a man from Wyoming who was traveling with the Webb Wild West show. De Spain rode every day during the fair and conquered every manner of beast that they trotted out to him.

Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. Frank C. Hanrahan, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference."
