

Young Men: There's a Difference

between these Ederheimer-Stein clothes that are made especially for you and other kinds that are sometimes sold you.

Too bad you can't see these clothes alongside some of the makes you're shown when you go to buy a suit. But we don't have the ordinary kinds and you won't find garments of this make anywhere else.

Three and a quarter yards of cloth is usually supposed to be enough for a suit. Ederheimer, Stein & Co., put 3 3/4, sometimes more, into theirs.

It takes this much to make a coat roomy and full chested, to give it plenty of length and bottom sweep, to get the right hip effect to the trousers.

Not all clothes makers use enough goods to make clothes stylish. Ederheimer, Stein & Co., make clothes right and put in all the material that is needed.

And they're strictly Young Men's clothes. Made to keep you looking young.

AFTER WIFE DESERTER

SHERIFF FROM PROSSOR HERE TO FIND TRACES.

Man Wanted at Prossor May Be Apprehended at Huntington.

In a hot pursuit of a wife deserter from Prossor, Washington, Sheriff A. G. McNeill arrived in this city this morning and will leave tonight for Huntington. After a conference with Sheriff Childers today the trail of the fugitive from justice and domestic bliss was traced through La Grande and up Ladd Canyon, and was last heard of in the vicinity of North Powder. He is thought to be headed for Southern Idaho.

The wife deserter's name is Junkins and he is driving two horses to a light wagon. Since leaving Prossor he has taken on some fellow travelers. After estimating the distance and the dates Sheriff McNeill figures that he will catch the fugitive in Huntington tomorrow.

OBJECT TO ASSESSMENT

WESTERN UNION ONE OF TWO WHO COMPLAIN.

Indications point to a lower Tax Levy Next Year.

Only two petitions for reduction of assessment have been filed with the board of equalization up to the present time. The Western Union Telegraph Company through its local manager, Miss Bean, has asked for a reduction in its assessment. The company owns 87.71 miles of telegraph lines in Union county and the assessment placed upon its property by Assessor Rinehart was \$11,213. Scott Goodell also came in and asked that he be hit a little more gently on his timber claim in Ladd Canyon. Although the O. R. & N. Company was assessed at about \$3,250,000, no complaint has been filed by them.

According to Judge Henry, chairman of the board of equalization, indications this year point to a low tax levy. The property valuation is good this year and the financial condition of the county has never been so encouraging for years. During the past year. During the past year the debts have been cut down from \$20,000 to \$5,000. This means a big saving of interest. It is the opinion of Judge Henry that this debt will all be wiped out this coming year and no heavy burdens be imposed, either.

While nothing definite can be ascertained regarding the levy until after the state has been heard from in December or January, Judge Henry says that he is hoping that the levy will be the lowest in several years. The jail is well equipped, the poor farm is fixed up and on the road to self support, and the bridges of the county are in shape to require but little outlay of cash for several years.

END STOMACH TROUBLE.

Dyspepsia, Heartburn, Gas or Indigestion go five Minutes later

As there is often someone in your family who suffers an attack of indigestion or some form of Stomach trouble, why don't you keep some Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy stomach five minutes after.

Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Pape's Diapepsin, then you will readily see why it makes Indigestion, sour stomach, heart burn and other distress go in five minutes and relieves at once such miseries as Belching of Gas, Eructations of sour undigested food, Nausea, Headaches, Dizziness, Constipation and other stomach disorders.

Some folks have tried so long to find relief from Indigestion and dyspepsia or an out of order stomach with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believes theirs is a case of Nervousness, Catarrh of the Stomach or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poisen, which putrefy in the digestive tract and intestines, and, besides poisen the breath with nauseous odor.

A hearty appetite with thorough digestion, without the slightest discomfort or misery of the stomach is waiting for you as soon as you decide to try Pape's Diapepsin.

ACT QUICKLY. Delay Has Been Dangerous in La Grande.

Do the right thing at the right time. Act quickly in times of danger. Backache is Kidney danger. Doans Kidney Pills act quickly. Cures all distressing, dangerous Kidney ills.

Plenty of evidence to prove this. Mrs. S. J. Atchison, 213 S. Baker st. Baker City, Ore., says: "I have known the value of Doan's Kidney Pills for years and they have long been a standard remedy in our household. I used them for a weak and painful back, accompanied by a bearing-down pain in the hips. My kidneys were much disordered and annoyed me both day and night. At times my head ached so severely that it really felt as if it would split and I was often so dizzy that I had to take to my bed until the attack passed away. I also suffered from rheumatism and my ankles became badly swollen. At last Doans Kidney Pills were brought to my attention and I procured a supply. They helped me from the first, and by the time that I had taken the contents of three boxes, I was free from kidney trouble. There has been no symptom of a return and I consequently praise Doan's Kidney Pills at every opportunity."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

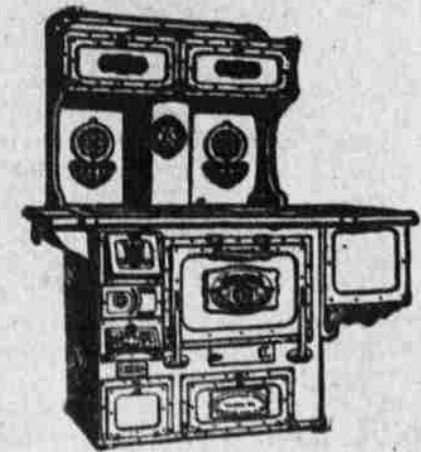

Do your eyes trouble you when reading or studying after night? Do you have headaches or dizziness or irritated smarting or watering eyes or granulated lids? Do you get sick riding? All of these ailments are caused by the eyes being out of shape, too long or short (near or far sight), unevenness of the front or cornea, (Ostigmatism of the eyes, also by the effects of age, which causes our near point of vision to farther and farther away each year after ten years of age till finally we have to put on glasses to bring it back to a convenient distance.

If you have any of these troubles call on me, I will furnish glasses, the most up-to-date styles and best specially ground lenses at a price much less than the traveling opticians charge, and I give your eyes a double test by different methods with different instruments, one test proves the other.

I guarantee all my work. I make no charge for testing where glasses are not required or when I fit glasses. Give me a trial and be convinced. H. W. HEWITT, Optometrist & Jeweler. 1212 1-2 Adams ave., La Grande, Ore.

HOWARD HEATING STOVES

Howard wood and coal grates will burn either wood or coal

Have wood and coal grates and burn either wood or coal. No one expects to buy strictly high grade goods at the price of "cheap stuff," but some think that a high price guarantees high quality. Don't make this mistake in buying a range. Many ranges of ordinary construction are priced high or even higher than the incomparable Monarch.

WHEN YOU BUY A RANGE— Find out what it is made of and how built! You have a right to know these things. Any man selling ranges who says, "Our range is a fuelsaver—a perfect baker," and stops there, casts a reflection on your intelligence. If these things are true of any range, there is a reason for it—a reason you can see and understand—a reason you have a right to know before buying.

We can show in a Monarch range exactly why it does what we claim. Come and see how the Malleable iron and steel plates are riveted solidly together, insuring a tight range for unlimited time. Let us explain how tight, permanent seams are possible only in ranges where Malleable iron is used. We can show you how tight, solid construction is necessary to everything you want most in your new range—prompt, sure service—long life—and fuel economy.
