Every one interested in poultry should make it their duty to meet on Saturday afternoon at the parlors of the Commercial Club to assist in the organization of a Poultry Association. While such organizations always result in the spreading of knowledge that leads to higher breeding and greater interest in this important branch of the farm, we doubt if many counties in the state can show better poultry stock than can Union county. For several years few have discussed the holding of a poultry show but nothing has ever been attempted. While poultry shows always follow such organizations as will be perfected Saturday, the show feature really is only an incident of the benefits that will accrue. Turn out and by your presence and work make the first meeting an enthusiastic one. The price of eggs and poultry as have prevailed in this county for the past ten years speaks for itself regarding the profitability of the industry promoted along intelligent lines.

It seems beyond belief that a man could actively engage in the game of fistouffs for 30 straight years, but such is the record Bob Fitzsimmons will have established if he journeys to Australia this fall as he hopes, and fights under the banner of Hugh D. McIntosh, says Bill Blunt. When the fans start talking about the "greatest fighter who ever lived" they wouldn't be making a very grievous error if they awarded the palm to the Titian-haired ex-blacksmith. During these thirty years he has met more tough men than any heavy or middle-weight who ever laced on a glove, not even barring the unbeaten Jeffries. In fact, he met all of the dangerous men Jeffries met and several whom the latter did not meet.

Desire to be the first to enter on the Benton county government land recently restored to entry brought A. Newlow, of Kennewick, to the government land office in Walla Walla at 1:30 Monday morning where he has taken his position next to the door and declares his intention of holding that position himself or by proxy until the time for filing arrives, which will be at 9 o'clock on the morning of November 4.

Heavy is the head that wears a crown is once more exemplified in the position of the present King of Spain. He has asked his cabinet to resign and upon his selection of another his selection of another depends his continuance in power as well as the peaceful condition of his people. One thing is very certain, he will sanction few more executions until he has given the matter consideration.

It is quite possible that the next big undertaking which will enlist the support of the Commercial Club will be the securing of an electric road from Walla Walla to this city. If the Commercial Club goes out after it the road will be coming in due time. This organization has yet to meet defeat and it has landed some mighty big projects.

The president is persevering. He has now offered the position of minister to China to a Seattle man. If he is not careful he will find some one who will not only accept it, but is acceptable to the department. Harvey Scott and Senator Fulton both refused as did others.

Neither Cook nor Peary was the first man to reach the north pole.

nor the second man—nor the 19,000 man.

This is the surprising theory upheld by Robert M. LaFollette, Senator from Wisconsin.

While so many burglaries are being committed it would be a wise precaution to hang out a sign "A Printer Lives Here." If the sign would be taken seriously it would make the premises immune from attack.

The announcement of the death of General Otis will recall to many of the pioneers of the Pacific coast the days when Indian wars were expected at uncertain intervals.

President Taft was very much interested in the big steam plows at work. Not a few are interested in the president's "big steam roller" when it gets to working.

**A STEADY DRAIN.**

Sick Kidneys Weaken the Whole Body—Make You Ill, Languid and Depressed.

Sick kidneys weaken the body through the continual drainage of life-giving albumen from the blood into the urine, and the substitution of poisonous uric acid that goes broadcast through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back, gravel and kidney stones. The proper treatment is a kidney treatment, and the best remedy is Doan's Kidney Pills. Here is good proof in the following testimonial:

James M. Johnson, Main st., Union, Ore., says: "I can heartily recommend Doan's Kidney Pills, as I know they are a reliable remedy for kidney complaint. Constant standing brought on my kidney trouble and I suffered intensely. A customer first recommended Doan's Kidney Pills to me, saying that they had been the means of saving his life. I was induced to try them and in a short time, I was convinced that they lived up to representations. I have used Doan's Kidney Pills on several occasions since then and have always received prompt relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
