MANY BUY TO HELP ON

BUSINESS MEN RALLY TO SUPPORT OF ATHLETICS.

Heavy Expense Account Partially Met By Disinterested Ones.

Public spirited men of this city last evening aided the high school athletic fund by purchasing tickets to the game, though the greater per cent of them neither could attend or had any inclination to. Tickets were sold to the men who perhaps have never seen a game of football or never intend to unless they get their dates mixed but knowing that La Grande's credit as a city to do big things was at stake, they rallied to the support of a sport which they neither foster nor like in some instances, and purchased tickets willingly.

It is such action as this that enables La Grande to be ranked among the leading cities of the Northwest, to that they can bring the fastest and the biggest football teams of high school relations in the Northwest, to this city.

Considerable money was raised in this way last evening, and a big percentage of it was from men who gave only in a spirit of helpfulness and not with the intent of themselves using the pastebords which they paid for.

WHEAT RATE INCREASED

ELGIN POINTS TO PAY HIGHER RATES HEREAFTER.

Commission Modifies Former Order And Raises Rates.

Wheat rates along the O. R. & N., from La Grande to Elgin, including every warehouse and wheat loading spur, have been raised a fraction or an entire cent, by an order issued by the railroad commission of Oregon, in an edict announced at Salem yesterday. The order modifies a previous reduction, and it will become effective on November 1. The changes follow:

The rates from Island City, Pierce's and Conley, which was 17 3/4 cents, is increased to 18 cents; Alice and Imbler, from 18 cents to 18 1/2 cents; Rinehart and Elgin, 18 to 19 cents.

RESUME DUME MURDER CASE

St. Petersburg, Oct. 22.—Further hearing in the case of Dr. Dubrovin and others, charged with complicity in the murder of Deputy Mertzstein in Finland three years ago, was commenced today.

With regard to Dr. Dubrovin, who has refused to attend the trial on the ground that he is not amenable to the Finnish courts, the court failed to find sufficient evidence of his complicity in the murder, and accordingly decided not to insist upon his arrest.

AWAY GOES DYSPEPSIA.

Indigestion, Heartburn, Gas and all Stomach Misery Vanishes.

Take your sour, out of order stomach—or make you call it indigestion, Dyspepsia, Gastritis or Catarrh of the stomach; it doesn't matter—take your stomach trouble right with you to your pharmacist and ask him to open a 50 cent case of Pape's Diapepsin and let you eat one 22-grain tablet and see if within five minutes if there is left any trace of your former misery.

The correct name for your trouble food fermentation—food souring; the digestive organs become weak, there is

a lack of gastric juices; your food is only half digested and you become affected with a loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in the bowels, tenderness in the pit of the stomach, bad taste in the mouth, constipation, pain in the limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness or many other similar symptoms.

If your appetite is fickle and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself in five minutes that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

NO KIDNEY DISORDER.

Out of Order Kidneys Act Fine and Backache Goes After Taking Several Doses.

A real surprise awaits every sufferer from kidney or bladder trouble who takes several doses of Pape's Diuretic, Misery in the back, sides or loins, sick headache, nervousness, rheumatism, heart palpitations, dizziness, sleeplessness, inflamed or swollen eyelids, lack of energy and all symptoms of out-of-order-kidneys simply vanish.

Uncontrollable urination (especially at night), smarting offensive and discolored water and other bladder misery ends.

The moment that you suspect kidney or urinary disorder, or feel any rheumatism, begin taking this harmless medicine, with the knowledge that there is no other remedy at any price or made anywhere else in the world, which will effect so thorough and prompt a cure as a fifty cent treatment of Pape's Diuretic, which any druggist can supply.

It is needless to feel miserable and worried, because this unusual preparation goes at once to the out-of-order kidneys and urinary system, distributing its cleansing, healing and strengthening influences directly upon the organs and glands affected, and completes the cure before you can realize it.

Your physician, pharmacist, banker or any mercantile agency will tell you that Pape, Thompson & Pape of Cincinnati, is a large and responsible medical concern, thoroughly worthy of your confidence.

Only curative results can come from taking Pape's Diuretic and a few days treatment will make any one tell true.

Accept only Pape's Diuretic—fifty cent treatment—any drug store—anywhere in the world.

Oil of Wintergreen, Thymol, Glycerine, etc., Used as a simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now so long a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true, cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Company of Chicago, and our long experience with this remedy has given us great confidence in its merit—Newlin Drug Company.
