REIMBURSE SEEMS LIKELY

TAX ROLL WILL SHOW ABOUT SIXTEEN MILLIONS.

Matter of Bond Money O.K. of Prominent Questions Today.

Since the county court has decided that it has no authority to reimburse the bondsmen, for losses through the failure of the Farmers & Traders National bank, it has been suggested and will, in all probability be petitioned for and that is to submit the matter to the voters of the county at the next general election, by placing the question on the general ballot.

There are two ways of looking at this matter; one is cold blooded, viewing it strictly on a business proposition—that every bondsmen knows his responsibilities—but on the other hand, here is an extraordinary case. The bank was considered safe by a great majority of the people. The accounts of the officers having funds in this bank were in perfect condition. It was no fault of theirs. This is in reality, what the bondsmen considered when going on their bonds to guarantee the county against either the honest or incapable acts of the officers.

The tax roll this year will show over \$16,000,000. It is also reported that in the near future that dividends of about 25 per cent will be paid by the defunct bank. If this is true the total deficiencies in the sheriff's and treasurer's offices now amounting to \$14,274.47 will be reduced about ten thousand dollars, which would only require about one-half of one mill to reimburse the bondsmen, and few there are who would vote against it.

The bondsmen of the treasurer are paying in \$1,000 per month and the sheriff has directed that his warrant of \$208 be divided so that \$100 of this is to be applied on his deficiency. He now owes the county \$2640.32. If he pays in \$100 per month of his salary during the next fourteen months of his occupancy this amount will reduce it to \$2,050, leaving a balance due the county of \$590.00.

TWO-THIRDS COMPLETED

BET PULLING AND HARVEST IS NEAR END.

Better Quality and Bigger Acreage Yield than Ever Before.

Bet pulling and hauling is about two-thirds finished, according to Field Manager F. S. Bramwell. The speed with which the work is being finished is due of course to the excellent climatic conditions, and to the perfect system adopted by the management for handling the beets.

The yield per acre and the quality of the beets is far superior to anything yet produced in this valley.

AWAY GOES DYSPEPSIA.

Indigestion, Heartburn, Gas and all Stomach Misery Vanishes.

Take your sour, out of order stomach—or make you call it indigestion, Dyspepsia, Gastritis or Catarrh of the stomach; it doesn't matter—take your stomach trouble right with you to your pharmacist and ask him to open a 50 cent case of Pape's Diapepsin and let you eat one 22-grain tablet and see if within five minutes if there is left any trace of your former misery.

The correct name for your trouble food fermentation—food souring; the digestive organs become weak, there is

a lack of gastric juices; your food is only half digested and you become affected with a loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in the bowels, tenderness in the pit of the stomach, bad taste in the mouth, constipation, pain in the limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness or many other similar symptoms.

If your appetite is fickle and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself in five minutes that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

NO KIDNEY DISORDER.

Out of Order Kidneys Act Fine and Backache, Gves After Taking Several Doses.

A real surprise awaits every sufferer from kidney or bladder trouble who takes several doses of Pape's Diuretic. Misery in the back, sides or loins, sick headache, nervousness, rheumatism, heart palpitations, dizziness, sleeplessness, inflamed or swollen eyelids, lack of energy and all symptoms of out-of-order-kidneys simply vanish.

Uncontrollable urination (especially at night), smarting offensive and discolored water and other bladder misery ends.

The moment that you suspect kidney or urinary disorder or feel any rheumatism, begin taking this harmless medicine, with the knowledge that there is no other remedy at any price or made anywhere else in the world, which will effect so thorough and prompt a cure as a fifty cent treatment of Pape's Diuretic, which any druggist can supply.

It is needless to feel miserable and worried, because this unusual preparation goes at once to the out-of-order kidneys and urinary system, distributing its cleansing, healing and strengthening influences directly upon the organs and glands affected, and completes the cure before you can realize it.

Your physician, pharmacist, banker or any mercantile agency will tell you that Pape, Thompson & Pape of Cincinnati, is a large and responsible medical concern, thoroughly worthy of your confidence.

Only curative results can come from taking Pape's Diuretic and a few days treatment will make any one feel fine. Accept only Pape's Diuretic—fifty cent treatment—any drug store—anywhere in the world.

HOME CURE FOR ECZEMA.

Oil of Wintergreen, Thymol, Glycerine, etc., Used as a simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Company of Chicago, and our long experience with this remedy has given us great confidence in its merit.—Newlin Drug Company.
