PROPERTY FOR CHURCH PURCHASED

LADD PROPERTY ON FOURTH TO BE IMPROVED.

Methodist Church Trustees Buy a Slightly Location For Church.

Plans were consummated yesterday whereby the title of the Alice Ladd property on Fourth street will pass to the Methodist church, upon which a new church will be built of either brick, stone or cement blocks; a structure in keeping with the growth of this city based upon a liberal growth in the future. The plans of the building have not been decided upon. The first thing was the site and this has been secured. The trustees who made the deal securing this fine property, consider themselves more than fortunate. There is not a more desirable site in the city when viewed from from many standpoints. A large, imposing structure on this property will be noticed by every passenger alighting from the trains at the depot. A line from the center of Depot street followed to its first obstruction will be the Methodist church when completed. It will also stand in the center of Spring Avenue.

This site will grow in favor with the general public as its many advantages becomes recognized. The property has a frontage on Fourth street of 104 feet and a depth of about 170.

The consideration was \$4,750. Upon the property is a well, constructed two story dwelling for which the trustees have already had a standing offer of \$1,000. In due time the present church property will be disposed of, which is one of the most slightly dwelling locations in the city.

CHICKENS NUMEROUS

LOCAL MARKETS WELL FILLED WITH FOWLS.

Saturday, or "chicken day," in the local markets found today a good supply of fowls on the market to supply the demands of the Sunday dinner tables. A prominent local dealer said this morning that the supply of chickens in this valley had been better during the past two years than ever before as more people were turning their attention to the poultry industry. The price is a good one, however, 10 cents live weight being paid for hens and young roosters today. About 400 pounds of dressed chickens have been shipped to Portland this week.

Hogs are bringing 1-4 cent more money in this city at the present time than the advance Portland quotations show the price to be. Seven and one-quarter cents is the present local quotation.

further proof than the following statement:

C. Beale, 366 Aura, St., Pendleton, Oregon, says: "Doan's Kidney Pills gave me freedom from kidney trouble from which I had suffered for a long while. I was greatly annoyed from too frequent passages of the kidney secretions during the night when I was forced to arise several times. A short use of Doan's Kidney Pills relieved me of all these difficulties and at that time, I gave a public statement regarding them. Many persons have since called upon me, wishing to know if the indorsement were correct. At such times I have always advised a trial of Doan's Kidney Pills. For sale by all dealers. Price, 50c.
