FRESH FRUIT DISAPPEARS

ONLY A FEW PRUNES AND PLUMS LEFT IN MARKET.

Picking May Be Completed in the Present Month Say Growers.

The season for fresh fruit is about to make its demise for another season. Only a few straggling prunes and plums are yet to be found in the market and the packing houses have finished long ago. Dried and canned fruits will soon begin to grow in popularity with the fruit lovers.

Fruit packers report that the present month will almost see the finish of the winter apples. Pickers are busy all over the valley gathering every variety that has been left on the trees. On account of the light crop this season the picking will not last as long as usual.

Democrats Hold Rally.

Ablene, Kan., Oct. 26.—Kansas Democrats are here in force today for a love feast at which they will make plans for next year's campaign for governor. It is likely that a candidate will be decided upon. The party plans to finance a daily newspaper in Wichita which will likely be the official organ of the Democracy in the Sunflower State. Last year no important daily newspaper in any of the larger cities supported the ticket.

Do your eyes trouble you when reading or studying after night? Do you have headaches or dizziness or irritated smarting or watering eyes or granulated lids? Do you get sick riding? All of these ailments are caused by the eyes being out of shape, too long or short (near or far sight), unevenness of the front or cornea, (Ostigmatism of the eyes, also by the effects of age, which causes our near point of vision to farther and farther away each year after ten years of age till finally we have to put on glasses to bring it back to a convenient distance.

If you have any of these troubles call on me, I will furnish glasses, the most up-to-date styles and best specially ground lenses at a price much less than the traveling opticians charge, and I give your eyes a double test by different methods with different instruments, one test proves the other.

I guarantee all my work. I make no charge for testing where glasses are not required or when I fit glasses. Give me a trial and be convinced.

HOME CURE FOR ECZEMA.

Oil of Wintergreen, Thymol, Glycerine, etc., Used as a simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Company of Chicago, and our long experience with this remedy has given us great confidence in its merit.—Newlin Drug Company.
