BANQUET FOLLOWS MEETING AT MODEL.

Woodmen Will Gather at Island City This Evening For Meeting.

La Grande Camp No. 7703 M. W. A. held a special meeting last night to meet State Deputy J. W. Simmons, who is making an official visit to all of the camps in Eastern Oregon.

The growth of this benevolent and fraternal order is phenomenal. Today its 13,157 camps are scattered throughout the United States and Canada with a membership exceeding 1,000,000. Its claims are that it furnishes the cheapest and safest insurance possible and two years ago it established a sanatorium for its members afflicted with consumption in Colorado and so successful has its operations been that representatives of both France and Germany have sent committees to Colorado to familiarize themselves with the movement. This sanatorium is absolutely free to members of the order.

Following the enthusiastic address of the state deputy those present retired to the banquet room of the Model restaurant where the inner man was feasted and toasts and good cheer prevailed until midnight.

Tonight State Deputy Simmons will visit Island City camp and the Island camp issued a pressing invitation for as many members of the La Grande camp to be present as possible. There are eight camps in Union county and a committee was appointed last evening for a county convention to be held in La Grande at a future date.

Osteopathy in Women's Diseases.

Congestion, strains and displacements are the basis of most of the sickness that afflict womankind, the real first cause of disease. Every function of the human machine is dependent upon its appropriate structure or organ. So disturbances of function (diseases) are due to abnormalities in structure, to mechanical faults in anatomy. This is the osteopathic view of disease, developed by long study and countless cases, and it is now fully established that congestions, strains and displacements are productive of more suffering than any other set of causes.

Women's ills are especially the result of such disorders within the tissues—many of which are slight and would be trivial except for their remote consequences—and the proper treatment of the wide range of female diseases demands that all these slightest anatomical faults be understood and properly corrected.—Osteopathic Health.

Doans Kidney Pills act quickly. Cures all distressing, dangerous Kidney ills.

Plenty of evidence to prove this. Mrs. S. J. Atchison, 213 S. Baker st. Baker City, Ore., says: "I have known the value of Doan's Kidney Pills for years and they have long been a standard remedy in our household. I used them for a weak and painful back, accompanied by a bearing-down pain in the hips. My kidneys were much disordered and annoyed me both day and night. At times my head ached so severely that it really felt as if it would split and I was often so dizzy that I had to take to my bed until the attack passed away. I also suffered from rheumatism and my ankles became badly swollen. At last Doans Kidney Pills were brought to my attention and I procured a supply. They helped me from the first, and by the time that I had taken the

contents of three boxes, I was free from kidney trouble. There has been no symptom of a return and I consequently praise Doan's Kidney Pills at every opportunity."

WHY SO WEAK.

Kidney Troubles May Be Sapping Your Life Away—La Grande People Have Learned This Fact.

When a healthy man or woman begins to run down without any apparent cause, becomes weak, languid, depressed, suffers backache, dizzy spells and urinary disorders, kidney weakness may be the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney pills cures sick kidneys and keeps them well. Can La Grande readers demand further proof than the following statement:

C. Beale, 260 Aura, St., Pendleton, Oregon, says: "Doan's Kidney Pills gave me freedom from kidney trouble from which I had suffered for a long while. I was greatly annoyed from too frequent passages of the kidney secretions during the night when I was forced to arise several times. A short use of Doan's Kidney Pills relieved me of all these difficulties and at that time, I gave a public statement regarding them. Many persons have since called upon me, wishing to know if the indorsement were correct. At such times I have always advised a trial of Doan's Kidney Pills. For sale by all dealers. Price, 50c. Foster-Milburn Co., New York, sole agents for the United States.

ACT QUICKLY.

Delay has been Dangerous in La Grande.

Do the right thing at the right time. Act quickly in times of danger. Backache is Kidney danger.
