Throw More Bombs.

Odessa, Oct. 27.—Bomb throwing has
had a wonderful revival in Russia re-
cently. Twenty-six successful and at-
tempted outrages have occurred in
the months of September and October
and the authorities are now exerting
themselves to suppress the possession
of explosives in the hands of un-
authorized persons. There are, how-
ever a large number of experts here
who are manufacturing their own high
explosives and these are very difficult
to get at.

How to cure a Cold.

Be as careful as you can, you will
occasionally take cold, and when
you do, get a medicine of known re-
liability, one that has an established
reputation and that is certain to af-
fect a quick cure. Such a medicine is
Chamberlain's Cough Remedy. It
has gained a world wide reputation
by its remarkable cures of this most
common ailment. It acts on nature's
plan, relieves the lungs, aids expecto-
ration, opens the secretions and aids
nature in restoring the system to a
healthy condition. For sale by all
good dealers.

E-RU-SA—THE ONLY LAWFUL PILE CURE.

Because it does not contain narcotics, mercury, cocaine, lead or any
poisonous drugs. Because E-RU-SA cures piles. U. S. Dispensatory
recommends every ingredient of E-RU-SA. Drug laws make "false or
misleading statements" a crime. Therefore the sale of all old or nar-
cotic pile medicines is illegal because they effect the brain and spinal
narrow; produce constipation and never cure. Only druggists of
highest standing sell and endorse E-RU-SA.
