FRATERNAL VISIT OVER

Hope Chapter, Order of Eastern Star No. 13, was honored last evening by a visit of the officers and members of Easter Chapter No. 11 of Baker City; in all, thirty or more. In addition to these there was a number of visitors from other chapters, the register showing in a measure how widely distributed is the Masonic teaching.

About one year ago officers of Hope Chapter visited Baker City, assisting in initiatory services and the royal welcome extended upon that occasion, the social and fraternal memories were such that Hope Chapter anxiously awaited an opportunity to be their hostess and suffice it to say that honors are even.

The visiting delegation yesterday were given an opportunity to see the Grande Ronde valley by auto, entertained in the homes, and friendships were formed never to be forgotten.

Following the initiation ceremony by the home chapter, the floral work was conducted by the Baker City team. Every lady was dressed in spotless white, over which their brilliant regalia and colors of their various official positions showed out in splendor.

Their intricate drills, manipulated with grace and perfect precision was the admiration of all. Mrs. J. K. Romig, a former resident of this city being director. Miss May of Baker City, charmed all with her sweet voice and last, but not least the banquet room was opened and the tables fairly sparkled with its cut glass, snowy white linen, cut carnations, ever greens and an abundance of good things that always satisfies.

While a few tore themselves away, before it was 1 o'clock and before the final good nights were spoken and one of the most brilliant and social events in Eastern Stardom in La Grande was but a pleasant memory.

La Grande and Baker City will always enjoy a stronger bond of union than would have been possible had not these two fraternal visits occurred. Ties of lasting friendship have been formed that would not have otherwise have been and Hope and Esther chapters know each other.

See Play Tonight.

The offering of the National Stock Company at the Pastime tonight is a thrilling tale of the sea: "The Light in the Window." This will be put on with special scenery. Since the enlargement of the stage, the Pastime is now one of the neatest little playhouses in Eastern Oregon. Besides this, the orchestra considering the number of pieces, can't be equalled in the state. New specialties tonight.

Call For Your Work.

On the first of the coming month I must leave for Portland to have an operation performed. I wish those having work in my shop and cleaning establishment to come and pay for them. I need themoney. During my absence I will have a competent man in my shop as the workman and all work left in his charge will be well caed for.

It is not necessary to put with the inconvenience of poor sight these days—further more it is foolish to neglect having your eyes properly attended to.

If you suffer from headaches, nervousness, you will find it will pay you to have your eyes examined, as in nine cases out of ten the trouble lies there.

We can give you an expert examination—fit you with the correct glasses if they are necessary.

Will you help them. Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair.

Mrs. J. T. Galloway, C. St. Elgin, Oregon, says: "In view of the benefit I derived from Doan's Kidney Pills I can only speak of them as being a reliable remedy for the kidneys. I used them principally for a severe pain across the back which had annoyed me for some time. The results that

followed the use of the first box were so satisfactory that I continued taking the remedy until my back was free from pain. I cheerfully recommend Doan's Kidney Pills."
