#### The Best Plaster.

A piece of flannel dampened with Chamberlain's Liniment and bound on to the affected parts is superior to any plaster. When troubled with a lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. This liniment also relieves rheumatism and is certain to relieve anyone suffering with that disease. Sold by all good dealers.

## SNOW FALLS ON THE HILL

FIRST REAL SNOW OF THE YEAR ON MOUNT EMILY.

General Rainfall Throughout the County Helps the Farmers.

The first snow fall of the season came last night. Mount Emily and the mountains east of the valley were covered and the snow had crept well down toward the foothills. The snow on the mountains fell last night when the .02 inches of rain was falling in the valley.

During the day and night yesterday the valley got .27 inches. Reports from the Sandridge indicate that the rain was general and did great good in loosening up the summerfallow and starting the weeds.

#### COMMUNICATION.

Editor La Grande Evening Observer: I was surprised to notice in your issue of last evening that the undersigned was a candidate to fill the vacancy caused by the resignation of Councilman Bolton, and that my name together with others, had been balloted upon at the last meeting of the city council. I desire to say that such action was taken entirely without my knowledge or consent; that I am NOT a candidate for said position; that although I have been spoken to by several citizens about the matter, I have up to this time consistently refused to consent to my name being

used, and under no circumstances would I enter into any contest for said position. Any competent resident of the city who desires the position is welcome to do so far as I am concerned.
