# FEW SCALPS ARE TAKEN

NUMBER OF SCALP WARRANTS IS SMALL.

Gradually Dropping Off and Little Interest is Apparent.

Fall time seems to be an off season for coyote hunters, according to the records of the sums paid out by the county clerk as bounties. The first month of operation of the new law brought to the court house over \$150 worth of scalps. Since that time the amount of money paid out has been rapidly falling off. September brought only \$12 worth of scalps and up to yesterday none had been brought in for October.

# CLUB WILL OBSERVE DAY

EDUCATIONAL DAY WITH THE NEIGHBORHOOD CLUB.

Interesting Program Being Prepared For Tuesday Afternoon.

Education day, observed throughout the United States by all the Federation of Women's Clubs, has been set for next Tuesday at 3 o'clock and the La Grande Neighborhood club will carry out an exhaustive program at that time. Teachers and ministers of the city are to be the guests of honor, and several addresses augmented with musical numbers, are on the program, to follow a business meeting. Prof. J. D. Stout, E. E. Bragg and Mrs. Stella Ingie are among the principal people to appear with parts. The Neighborhood club has made special arrangements to observe this day with interesting features, and it is doubtful if any federation in the state will have a more learned program than is being slated for this one.

**Notice to Patrons.**  
Subscribers not receiving their papers regularly or if it is not delivered as it should be, will confer a great favor by notifying the office. Unless you do so we have no knowledge but what the delivery service is satisfactory. The time of the year is now here when proper delivery is essential. No subscriber wants to dry out their paper, neither do we want them to. If the paper is delivered properly it is not necessary.

Do your eyes trouble you when reading or studying after night? Do you have headaches or dizziness or irritated smarting or watering eyes, cornea, (Astigmatism,) of the eyes, (sight), unevenness of the front or so by the effects of age, which causes or granulated lids? Do you get sick riding? All of these ailments are caused by the eyes being out of shape, too long or short (near or far) or of age till finally we have to put on glasses to bring it back to a convenient distance.

If you have any of these troubles all on me, I will furnish glasses, the most up-to-date styles and best specially ground lenses at a price much less than the traveling opticians charge, and I give your eyes a double test by different methods with different instruments, one test proves the other.

I guarantee all my work. I make no charge for testing where glasses are not required or when I fit glasses. Give me a trial and be convinced.

It is not necessary to put with the inconvenience of poor sight these days—further more it is foolish to neglect having your eyes properly attended.

If you suffer from headaches, nervousness, you will find it will pay you to have your eyes examined, as in nine cases out of ten the trouble lies there.

We can give you an expert examination—fit you with the correct glasses if they are necessary.

# READY FOR THE GAME

START GAME PROMPTLY AT 2:35 TOMORROW AFTERNOON.

But few Changes in the Lineup Which Meets Visiting Team.

Things are well in shape for the game tomorrow at the Lincoln grounds between the La Grande High and the Pendleton Academy team. As far as the La Grande line up is concerned, there will be but few changes. William son, the big fullback, is temporarily out of the game, but will be back in time for Baker City. Earls, Hamilton, and Childers, with Irwin at quarter, will be the backfield line-up, as the line will be the same as against Spokane.

The game starts at 2:35 and this means 2:35. An unavoidable delay last Saturday was the cause for the game not starting on time. Tomorrow there will be no delay.
