The Best Plaster.

A piece of flannel dampened with Chamberlain's Liniment and bound on to the affected parts is superior to any plaster. When troubled with a lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. This liniment also relieves rheumatic pain and is certain to relieve anyone suffering with that disease. Sold by all good dealers.

REYNOLDS WINS SPURS

PLAYS ENTIRE GAME AT QUARTER
YESTERDAY.

Many From Here Witness Contest at
Gardea City Friday.

Twelve La Grande and Union county people returned today from Walla Walla where they saw the O. A. C. vanquish the strong Whitman team. Not only are the returned guests elated at the score—for they were almost to a man "agile" adherents—but they are also delighted with the brilliant playing of Charles Reynolds, '09 local high school, who ran the team and played quarter. It is said by those who saw the game, and corroborated by the players that his word was supreme during the entire game, and though this was his first big college contest, he ran the team without a suggestion from any of the players. His dodging which has always been one of his traits proves valuable in running in punts and on quarter end runs. As announced in the Observer last night, the final score was ten to six in favor of O. A. C. Borleske, the Whitman star, caught a punt and run through the entire O. A. C. field for a touchdown. While Whitman resorted to all the science it controlled in foot ball, O. A. C. never disclosed a single open play or trick attack.

Those Who Attended. Among those who went from this city and county to attend the game and most of whom returned this morning are: Mr. and Mrs. J. E. Reynolds,

Hugh McCall, Raymond McKennon, John Clark, John Gordon, All Hugg, Roscoe Doane Forest Ivanhoe and Judge T. S. Crawford.

We have conducted a laundry business in La Grande for many years. There must be a reason. A trial order will explain the mystery.
