### See Play Tonight.

The offering of the National Stock Company at the Pastime tonight is a thrilling tale of the sea: "The Light in the Window." This will be put on with special scenery. Since the enlargement of the stage, the Pastime is now one of the neatest little playhouses in Eastern Oregon. Besides this, the orchestra, considering the number of pieces, can't be equalled in the state. New specialties tonight.

## SOLDIERS GO TO BOISE

DETACHMENT FROM FORT VAN  
COUVER PASS HERE.

Will Locate in Boise While Changes  
Are Being Made in Other Forts.

A detachment of 40 soldiers from Fort Vancouver came through this morning in a special coach bound for Boise, Idaho, where they will occupy the garrison at that place for the next sixty days while the changes are being made there. The 14th cavalry of the Boise barracks are to go to the Philippines and the 6th cavalry are to return home to Idaho. While the transfers are being made the Vancouver boys will occupy the garrison.

The detachment was under the command of Lieutenant Schofield. A five-little scene was enacted at the depot just as the train was pulling out. The commander got off to exercise his bull dog and as the train started he put the dog in the baggage car and mounted the next coach. The dog got away from the baggage man and ran up the street. A hot chase followed in which the commander barely had sufficient time in which to recover his erring cur and catch the rear coach with the dog in his arms.

## DANGER IN BOY PRANKS

FATALITIES MAY BE EXPECTED  
LOGICALLY.

While Robbery Protection Yet Rife,  
Hallowe'en Is Dangerous.

The city police are warning the tricksters who may be planning their annual escapades for tonight that they had best beware lest some of the extra polished guns and supplies of ammunition laid up for the benefit of the recent burglars be turned upon them by nervous citizens. There are many people who out of pure fright might forget that this is Hallowe'en and take any prowling youngster for a thief and fire upon him from the unlighted window.

to A. A. Christholm of Treadwell N. Y., now... His reason is well worth reading: "For along time I suffered from indigestion, torpid liver, constipation, nervousness and general debility," he writes. ### HOME CURE FOR ECZEMA.

Oil of Wintergreen, Thymol, Glycerine, etc., Used as a simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. The only need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Company of Chicago, and our long experience with this remedy has given us great confidence in its merit.—Newlin Drug Company.
