## LOOSE WHEEL DELAYS

WRECKER CONSIDERED NECESSA-  
RY AT FIRST.

Only Damage Was Delay to Overland  
Traffic for a Few Hours.

For the first time in several weeks  
the wrecker was ordered out last  
night, but even then only to be sent  
back to its shed again without having  
accomplished anything. A freight  
train at Hilgard got into trouble over  
a loose wheel and stalled No. 8 for  
a considerable time. The train was run-  
ning on time when it got to the freight  
at Hilgard which was unable to either  
get out of the way or proceed. It was  
after 10 o'clock when the track was  
cleared.

At first it was considered necessary  
to call out the wrecker, but before it  
could get under way, the order was  
rescinded.

## MANY ENTERPRISE CONVERTS

NEW CHURCH AND MANY NEW  
MEMBERS THE STATUS.

Twenty-Five Come to Repentance Dur-  
ing the Special Meeting.

Twenty-five converts have been ad-  
ded to the church membership of  
Enterprise as the result of the special  
meetings being conducted there the  
past ten days. Rev. W. H. Gibson of  
this city, who is there, writes that a  
new church edifice is to follow the  
revival which as seized Enterprise in  
its grip. The meetings thus far have  
been far more successful than had  
been hoped for when the revivalist and  
his helpers went in there.

WIND BULL GORES HORSES.

During the Carey wild west exhibi-  
tion at the Union ball park, Sunday  
afternoon last, a vicious Hereford bull  
weighing about 2,000 pounds, belong-  
ing to the Deenan estate, was brought  
in from the Kama country, to be rid-  
den by some of the buckaroos, and  
while the arrangements were under  
way the animal gored a horse be-  
longing to John McGrath and another  
belonging to Fred Spain both animals  
being hurt very badly. Having accom-  
plished this, the animal charged such  
of the spectators as were not already  
over or upon the fence and made a  
general clean up of the place, the  
man who was riding the animal taking  
advantage of the opening and sliding  
off the bull's back made for the fence.  
It was a great day—for the bull, and  
a bad one for the horses. Both of the  
horses are reported to be getting along  
very well, and it is thought that they  
have a fairly good chance for recov-  
ery. The bull was driven away Mon-  
day morning and showed no signs of  
fight after he was once out upon the  
highway.—Union Republican.

HOME CURE FOR ECZEMA.

Oil of Wintergreen, Thymol, Glycer-  
ine, etc., Used as a simple Wash.

It really seems strange that no  
many people suffer year in and year  
out with eczema, when it is now no  
longer a secret that oil of winter-  
green mixed with thymol, glycerine,  
etc., makes a wash that is bound to  
cure.

Old, obstinate cases, it is true can-  
not be cured in a few days, but there  
is absolutely no sufferer from ecz-  
ma who ever used this simple wash  
and did not find immediately that  
wonderful soothing, calm, cool sensa-  
tion that comes when the itch is ta-  
ken away. Instantly upon applying  
a few drops of the wash the remedy  
takes effect, the itch is layed. The  
is no need of experiment—the patient  
knows at once.

Instead of trying to compound the  
oil of wintergreen, thymol, glycerine,  
etc., in the right proportions ourselv-  
es we are using a prescription which  
is universally found the most effec-  
tive. It is known as the D. D. D. pre-  
scription, or Oil of Wintergreen Com-  
pound. It is made by the D. D. D.  
Company of Chicago, and our long  
experience with this remedy has giv-  
en us great confidence in its merit.—
