PORTLAND BOYS AND GIRLS AID TIME APPROACHES.

La Grande Will Have Another Opportunity to Aid School.

Portland, Nov. 3.—(Special).—The great state of Oregon is growing in population each year, and as in other states the need of charitable institutions are greater. Among those is the Boys and Girls Aid Society, whose sheltering arms reach out and help the little folks. It has now nearly 600 dependent children under its care placed out in family homes in all parts of the state and more are coming in every day. The receiving home of the society is taxed to its utmost capacity—sixty on hand, being its daily capacity during the past year. The society has found it necessary to enlarge its present quarters and have built a wing to the original building containing 15 rooms, at a cost of nearly \$7000. Two thousand dollars of this sum was appropriated by the state and the balance made up by voluntary contributions from philanthropic people of the city of Portland. But this building has to be finished, so that the wants of the institution are greater than ever this year. The four dormitories containing ten beds each, the management hopes will be furnished by the county court, the cost of furnishing each dormitory being \$175. Already Wasco county has furnished one and Yamhill another. There are still two empty.

Besides the above, groceries, bedding, canned goods of all kinds, fruits and vegetables of all kinds will be very acceptable as heretofore, and during thanksgiving week will be carried free by both the railroad company and by Wells Fargo Express Company as well as by all the boats running into Portland. The children of the public schools will also remember that their annual gifts are looked forward to by all the children of the "Home." All packages should be plainly marked "Boys & Girls Aid Society, Portland, Oregon."

GRISWOLD RESIGNS JOB

COMMERCIAL DEPARTMENT WILL BE WITHOUT INSTRUCTOR.

School Board Looking For Successor To Fill Position.

Another change is to be made in the city teaching force. The resignation of Professor Griswold of the commercial department of the high school has been in the hands of Clerk Williams since yesterday. It is to take effect Friday at the close of the month.

The school board has been scurrying about this week to find a possible successor to Mr. Griswold but no name has been announced. A meeting of the board will probably be held this week at which time a new man will be elected. Prof. Griswold came here from North Dakota.

Consider Bleroit Claimant.

Berlin, Nov. 3.—The German Flying Society today took up the consideration of the complaint of Bleroit, the French aviator who recently sailed over the English Channel, regarding the seizure of his airplane. Bleroit's machine was confiscated last September and he has protested against the seizure several times. Owing to the dilatory methods of the society no action has been taken upon the protest until today.

QUALITY DETERMINES SUCCESS.

Quality indicates the man; Quality makes the merchant; Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right prices.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use; it isn't just things you're after. You want quality, articles of merit, and things that are pure and wholesome. This is not a little, dingy place. It's a drug store with lots of good goods for good people. It's a drug store of equality, and the best in the beginning is the cheapest in the end. Business principles that are broad, honorable and fair to all, form the keystone for a united friendship.
