CONFIDENCE
RAMPANT
AT BAKER

Much has been said by the La Grande football team and their supporters about what they could do to Baker High when they meet here on the football field Saturday afternoon, says the Baker City Herald. The Beestpullers claimed the victory last year but those who saw the game say there was some rotten work by the La Grande officials and finally the game was declared forfeited to Baker by the score of 1 to 0. The visitors are of the opinion that they will win this year and are very much puffed up by the small score which the Spokane high made against them. But they will find the toughest proposition they ever went up against when they come to Baker for the home here are much heavier and faster. The officials will be disinterested parties so there can be no claim of favoritism. The game will be called at 2:30 on the Valley Avenue grounds.

While La Grande has high aspirations to win this game, it is not "swelled up" over the results. The line which is usually so strong will be a trifle weak, especially in the region of tackles, for the stone walls at those two places are out of physical condition. But the "playhard" spirit has taken a firm hold under Coach Wall's regime and the Baker City line plungers will not have everything their own way. Little is feared in the way of successful forward passes on Baker City's part for the ends and back field, has been drilled "to a tee" in breaking up the open attacks.

TWO TRAINS
HAUL LOGS

Since the George Palmer mill has commenced to run a 24-hour shift, meaning almost a double payroll, two logging trains have been drafted into service to haul the logs from the company's camps. It is not definitely ascertained who is to run the train that is to be conducted during the night hours. One of the trains will run during the day and the other at night.

There has been a great ado at the company's mill since the night shifts were put on and the mill at night presents an air of extreme hustle and hurry.

QUALITY DETERMINES SUCCESS.

Quality indicates the man. Quality makes the merchant. Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right price.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use? It isn't just things you're after. You want quality, articles of merit, and things that are pure and wholesome. This is not a little drug store, it's a drug store of quality, and the best in the beginning is the cheapest in the end. Business principles that are broad, honorable and fair to all, form the keystone for a united friendship.
