LOCAL PLAYHOUSES.

Fine Scenery for "Roanoke."

"A Southern Rose," or "Roanoke," opened to a packed house last night at the Pastime, and for a good play, well produced. People who saw it say it is one of the best comedy dramas ever seen in La Grande.

Miss Wolfe as "Aunt Dina" a typical darkey mammy, upheld her reputation as the equal or any character actress on the coast. She gets some little tones and actions than only one who has seen and understands these most faithful nurses, can imitate. I've seen some good nigger mammys but she is the best I have ever had the pleasure to see. Her specialty is great.

Miss Mandeville as "Roanoke" had

another chance to display her cleverness. Lynton Athey as "Marse" received the hisses that accompanied the good acting of a heavy part. Miss Mullaly also came in for her share as a villainous woman. Louise Koch and Murray Athey played their parts in their usual good style. Harrington Dupey made a good southern gentleman.

At the Scene Last Night.

Quite a large audience was at the Scenic last night to see the "Rough Diamond" an excellent comedy of about 40 minutes length. The audience was very enthusiastic. Miss Burgoyne, as Margary, the Rough Diamond and Bruce Kent as Cousin Jim, brought out all the comedy points. The rest of the company was good. The Master Piece, a new production in films, tells a silent story that is easily understood by the audience and highly appreciated.

SOCIETY.

The Parkdale Club met at the home of Mrs. Harlett Stillwell of Fruitdale on Wednesday afternoon with President Carroll in the chair, and after responsive roll call a reading by Mrs. Adler was highly appreciated.

The minute talk on the scenery of our valley of the Blue was scientifically mastered. After the session closed the hostess gave an autumnal welcome to her guests. Her home was completeness of reminders of autumn, arranged by her tasteful hands. The Club appreciated the original poem of "Autumn" by Mrs. A. L. Orr.

The hostess gave an autumn poetical contest in which Mrs. Orr won the prize.

A bounteous luncheon closed the evenings entertainment.

The Foreign Missionary Society of the M. E. Church met at the home of Mrs. H. C. Vinackle yesterday afternoon. The topic discussed was of general interest to the work and was of general instruction to those present.

The ladies of the Christian church will hold a cake sale at Selder's candy factory on Saturday of this week.

La Grande lodge No. 41 A. F. & A. M. will meet tomorrow night at 7:30. This is the regular meeting of the order.

DULL EYES MADE BRIGHT.

You are a patient? Your child is in school a certain number of hours each day, using the eyes constantly. Each year the lessons become harder, books are taken home the studies are continued in the evening, the eyes are being overtaxed, the delicate muscles are strained yet perhaps no thought is given to helping the eyes. I know that injury results from this neglect. We must realize it, if there is a cause for the eye strain, there must be a remedy, the remedy most naturally would be rest for the eyes; this rest can be obtained by wearing resting glasses. My advice to you is, come and get my advice, let me explain to you scientifically why resting glasses should be worn.

I believe that parents use very poor judgement in not caring for their children's eyes, when the remedy is so simple and the cost is so slight

DR. M. P. MENDELSON

is permanently located here. If you have any trouble with eyes or your glasses, if you suffer with headaches, dizziness, red eyelets or cross eyes, call and see him. He guarantees satisfaction and his charges are reasonable.
