DEMONSTRATE BURNER

PORTLAND FIRM TO HAVE AN EXHIBIT THAT WON A-Y-P PRIZE HERE

S. E. Rhinehart and Portland Associate To Give Demonstration

The Campbell Automatic Gas Burner Company of Portland has decided to give the people of La Grande an opportunity to see the new self-closing gas and gasoline valve recently invented for use on all gaseous fuel lights and stoves, as well as gasoline wherever used. These devices are for the protection of life and property wherever these dangerous fuels are used. The company has shipped a portion of the exhibit here which was at the A-Y-P exposition at Seattle during the entire fair, winning highest award, the gold medal, and same will be exhibited here on demonstration at the office of the M. and M. Company by Mr. C. L. Winsor and S. E. Rhinehart who had charge of the exhibit at the Seattle fair. These gentlemen are here for the purpose of disposing of the few remaining shares of stock now left in their hands. When this small block of stock is sold there will be no more on the market at any price, as this amount will be fully sufficient to put the large factory now equipped in Portland to producing these devices at full capacity. You are requested to call and let us show you the merits of this proposition.

'Where Nothing is too Much Trouble'

Money Comes in Bunches.

To A. A. Christolm of Treadwell N. Y. now... His reason is well worth reading: "For along time I suffered from indigestion, torpid liver, constipation, nervousness and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old time health and vigor. Now I can attend to business every day. It is a wonderful medicine. Infalible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at the Newlin Drug Company."

Frightful Fate Averted.

"I would have been a cripple for life, from a terrible cut on my knee cap," writes Frank Disberry, Keillier Minn. "without Bucklen's Arnica Salve, which soon cured me." Infalible for wounds, cuts and bruises, it soon cures, burns, scalds, old sores, skin eruptions. World's best for Piles. 50c at the Newlin Drug Company.

HOME CURE FOR ECZEMA.

Oil of Wintergreen, Thymol, Glycerine, etc., Used as a simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying it the affect, the itch is layed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Company of Chicago, and our long experience with this remedy has given us great confidence in its merit.—Newlin Drug Company.
