QUALITY DETERMINES SUCCESS.

Quality indicates the man; Quality makes the merchant; Quality you will remember long after the price has been forgotten. The quality and prices of the goods piled up and scattered around this store will tell you whether or not this is the right place to get the right quality at the right prices.

Yes, it would be easy to go ahead and enumerate all kinds of drugs, medicines, stationery, toilet goods, books, combs, brushes, etc. But what's the use? It isn't just things you're after. You want quality, articles of merit, and things that are pure and wholesome. This is not a little, dingy place, it's a drug store with lots of good goods for good people. It's a drug store of quality, and the best in the beginning is the cheapest in the end. Business principles that are broad, honorable and fair to all, form the keystone for a united friendship.
