Straitly to Convicts.
Galveston, Nov. 6.—More than fifty convicts in Texas penal institutions have been killed by inhuman beatings and cruel treatment during the past three years. The revelations were brought about by a legislative investigating committee. It is proving very difficult to wring the evidence from the criminals that are now being examined. Many of them are afraid of the smutty of the guards. One "lifer" declared that he witnessed three whippings within the past few days resulting in the death of the victims.

Elgin Ore., Nov. 6 Special—Consolidation of the real estate firms of this district occurred here Friday when the Bell Indian Valley Real Estate firm was bought out and taken over by the Slough Realty Company. La Grande, Nov. 5.—
Editor La Grande Observer—I am requested to have the following resolution published. Will you please publish it?

Whereas, The members of the Blue Mountain Grange, No. 345, having considered the contract of the Grande Ronde Reservoir and Irrigation Co., at a meeting on the 3rd, would beg leave to submit the following resolution.

Resolved, that we look upon the contract with displeasure. We believe it is discriminative and altogether one sided and should be well studied before signing.

"A Diamond in The Rough."

This beautiful English comedy sketch runs through two more performances at the Scenic, tonight and Sunday night. The comedy is clean and amusing and the piece in its entirety tells a story true to life. C. Edward Strong as "Sir William" makes the best of a rather thankless part. Miss Louise Kelly and Mr. Crockett as "Lord and Lady Plato" although both have small parts are deserving of mention. M. A. Mosley also has a small part in "Capt. Bleichem." Bruce Kent and Miss Burgoyne as "Cousin Joe" and "Margery" are both good. Mr. Strong tells us that he has two rip roaring farces for next week that should tax the seating capacity of the house. Beginning Monday night, "All in a Fog."

Japan Disturbed.

Tokio Nov. 6.—The rumor that Roosevelt had been killed created tremendous excitement here. The newspapers in all parts of the country are issuing extras. The report has a direct tendency to excite the Japanese who are still nervous over the fragile death of Ito. Crowds have thronged the foreign office all day and the American embassy is trying the best

they can to allay the excitement until the facts can be obtained.

Declares Roosevelt Ill.

Paris, Nov. 6.—Rome correspondent of the Temps today declared that Mr. Roosevelt was dangerously ill at his headquarters near Nairobi. He says that Mrs. Roosevelt is hurriedly making preparations to go to her husband in Africa. Her agitation it is claimed was not caused by the rumors that were made public yesterday but was from private information that had been received by her. The dispatch goes on to state that Roosevelt has at last fallen a victim to the fatal fevers of that region.

The American embassy here places no credence on the report and declares that if any thing had occurred to Mr. Roosevelt that they would have been sure to have known of it.

New Elgin Firm

Elgin, Ore., Nov. 5.—Social—Hurley Graham and Allen Baker have purchased the Arthur Hallgarth hardware business known as the Elgin Hardware Company.

After California Fruit Shipments.

New York, Nov. 6.—The Atchison, Topeka & Santa Fe is to purchase the Atlantic & Gulf railway and at the same time the West Indian Steamship Lines, under the organization of Chas. W. Morse. Financier agree that this move is for the purpose of aiming a blow at the Southern Pacific by coming in competition with them for the handling of the fruit shipments of Southern California. It is stated that the new line will do a direct transcontinental business between Southern California and New York City.

Elgin, Ore. Nov. 6.—Special—One of the most important deals consummated here this fall is the leasing of 10-acre 12-year-old bearing orchard from H. Hon by Doctor Whittier. The lease is for an extended period and the doctor is to pay the price of \$25 per acre for the land. He reserves the right to trim and graft as will which means that as the trees become useless and need grafting that attention can be given them. It also means that newer varieties can be grafted on the older trees.

E-RU-SA—THE ONLY LAWFUL PILE CURE.
Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-RU-SA cures piles. U. S. Dispensatory recommends every ingredient of E-RU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or name pile medicines is illegal because they effect the brain and spinal marrow; produce constipation and never cure. Only druggists of highest standing sell and endorse E-RU-SA.
