LA GRANDE STOPS BAKER AMBITIONS

LA GRANDE TURNS TIDE OF BATTLE AND TIES GAME

Locals Play Extremely Clean Game, But Only Tie Contest.

La Grande last Saturday spoiled the hopes that Baker City so fondly held in bosom relative to the football pennant of Eastern Oregon when the La Grande team tied that aggregation, 5 to 5. Baker City took advantage of a few minutes of nervousness in the line of the enemy and after being several times repulsed, sent a man over for a touch down. For the rest of the first half it was an interesting game, with La Grande fighting an uphill climb, Baker City's superior wait told badly on the much lighter men. In the way of straight football the miners were the pace-setters, but not so in the finer phases. Childers suffering with injuries out punted the other team. Onside kicks were well mastered by the local team. The first half ended with Baker City the superior.

In the second half La Grande's line charged ferociously and outplayed the home team as clearly and decisively as it was outplayed in the first half. La Grande's goal was never in danger but Baker's was. Meyer's 45-yard run Irwin's inside kicks and long dives through the line by Williamson did the business. At one time when Childers punted, Hall of Baker made failure of the catch and as the ball rolled over the Baker line Myers fell on it with a peculiar habit which he always carries around with him—that of being where the ball is. He later missed an opportunity to win the game for La

Grande by missing an easy goal. In this half referee Spagle made a decision which clearly robbed La Grande of victory. That it was intent is denied by all who saw it for he was as fair as his knowledge of new football would permit. The scrimmage was at its height when the Baker player dropped the ball. Hamilton caught it from the heap and ran over for a touchdown. The defense put up by Spagle is that he had blown his signal that the ball was dead. None of the players or the spectators heard it. If he did blow his whistle before the ball was dropped he had no authority to do so for the forward progress of the ball had not been stopped when a fumble occurred. If he blew his signal after the fumble, he was, again, clearly out of his jurisdiction. But he has spoken and La Grande abides by the decision. The incident is mentioned to show that La Grande obeyed the dictates of the officials to the letter. Men who saw the play—men hailing from Baker City and men who had no interest in either team—have corroborated the above.

On the field of play the La Grande team behaved well. Baker too, was much less prone to "slug" than usually. This improvement was very notable throughout. When at times the miners did pull of punch or kick no La Grande man raised a finger in defense. The Baker players themselves spoke highly of the ability of the visitors on the field. One man who is prominent on the team said the visitors were less rough than they had been in a recent game with Baker. Several changes were made necessary during the game. Childers retired late in the game and Heidenrich took his place. A. Bean took the side line in favor of Grout late, and Grandy was also taken out late in the contest.

All the La Grande men played excellent ball in the last half and even in the first half the disorganization was mutual. They took lots of abuse and worked like trojans. They are honored, to a man.

TRAIN HAS MIXTURE.

Strange Freight Passes Through City Yesterday Morning.

An unusually interesting freight train came through this city yesterday morning. The train was composed of 14 cars of cattle from Ontario bound

for Tacoma, half a dozen cars of hope being shipped to Portland and six new "pay as you enter" street cars for Portland. The cars bore the names of the streets on which they are to run and made La Grande look quite city-fied while they were standing in the yards here.

to A. A. Christolm of Treadwell N. Y., now... His reason is well worth reading: "For along time I suffered from indigestion, torpid liver, constipation, nervousness and general debility," he writes. HOME CURE FOR ECZEMA.

Oil of Wintergreen, Thymol, Glycerine, etc., Used as a simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen-mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is laid. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Company of Chicago, and our long experience with this remedy has given us great confidence in its merit.—Newlin Drug Company.
