REPAIRING COUNTY JAIL

Additional security is being made at the county jail by the screening of the windows on the outside. Inside the glass is covered by the heavy steel bars. On the outside the county court, through Charles Goodnough the contractor, is putting heavy steel wire screens. These will protect the glass and prevent anything from being passed from on the outside. There are at present four boarders in the county jail. Three are working the road, while Fred Taylor, the alleged burglar is awaiting a hearing before the grand jury.

MRS. BODMER DEAD

GENIAL LADY KNOWN AS "GRAND MOTHER" SUCCUMBS.

Funeral Will Be Held Tomorrow After Noon From Bodmer Home.

Died, at her home in Joseph, yesterday afternoon, November 8, Mrs. Anna Bodmer.

Mrs. Bodmer, whose maiden name was Anna Ochsner, was born in Switzerland, sixty-four years ago. When six years of age she came with her parents to Waumandee, Wis., where her girlhood days were spent. When a young woman she married Otto Bodmer and lived until 1890 at Bangor, Wis. Here, nine of their children were born to them.

In 1890 the family came to Oregon and soon after Mrs. Bodmer was left a widow. For the past seven years her home has been at Baker City with a son and daughter. Last September she went with two of her sons to her new home at Joseph. Since that time her health has been falling rapidly from the encroachment of that dread disease, cancer.

Besides numberless friends and many relatives, she leaves to mourn her loss seven children, one daughter, Mrs. Herbert Chandler of Baker City, and six sons; H. A. Bodmer, of La Grande; Armin and Vernon of Joseph; Otto of Wallowa and Ernest and Oscar of Paradise.

Mrs. Bodmer, lovingly known, as Grandma by her many friends, will long live in their memories as an inspiration for good. Her pathway in life was illuminated by kindly deeds and now that her busy hands are at rest and the end of her journey has been reached, all who know her can

say, "It is well with her."

The funeral services will be held from the home of her son H. A. Bodmer at the corner of Third and K streets, Wednesday at 2:30 and the interment will be in the Masonic cemetery.

Heartburn, Gas, Dyspepsia and Other Stomach Misery Vanishes.

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia, out of order stomach is merely a matter of how soon you begin taking Diapepsin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a reinforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should take Diapepsin occasionally and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on the stomach of belching of undigested food, headache, dizziness or sick stomach and besides what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour-out of order stomach and dyspepsia are generally relieved five minutes after taking a little Diapepsin.

Go to your druggist and get a 50 cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know that there is not going to be any more bad nights and miserable days for you. They freshen you and make you feel that life's worth living.

DULL EYES MADE BRIGHT.

You are a patient? Your child is in school a certain number of hours each day, using the eyes constantly. Each year the lessons become harder, books are taken home the studies are continued in the evening, the eyes are being overtaxed, the delicate muscles are strained yet perhaps no thought is given to helping the eyes. I know that injury results from this neglect. We must realize it, if there is a cause for the eye strain, there must be a remedy, the remedy most naturally would be rest for the eyes; this rest can be obtained by wearing resting glasses. My advice to you is, come and get my advice, let me explain to you scientifically why resting glasses should be worn. I believe that parents use very poor judgement in not caring for their children's eyes, when the remedy is so simple and the cost is so slight.
