NEW HOME FOR COUNCIL

WORK WELL UNDER WAY FOR THE CHANGES.

Contractor Slater Making Good Progress With Addition.

The force of men under the direction of Contractor Slater has the work of remodeling and enlarging the city hall well under way. The ground is cleared and the work of laying the 29 foot addition on the back of the hall is progressing rapidly. The brick is on hand and the building will extend back to the alley in a few days. This addition replaces the small corrugated iron shack which heretofore has been the office of the street superintendent.

The interior of the hall will be changed materially. By the removal

of several partitions the council chamber will be enlarged by at least one-third of its present size giving opportunity to arrange for the accommodation of visitors at the council meetings and for facilitating the work of the recorders court.

FORGER WAS SKILLED ONE

HAS SUFFERED PENITENTIARY SENTENCE FOR IT.

Brown, Who Forged Dunn's Name No Novice at It.

New developments in the case of William Brown, who forged the name of Charles Dunn to a check and passed it on the Queen restaurant, here, lend new color to the affair. Sheriff Childers received news yesterday that the man had recently been let out of

the Idaho penitentiary at Boise where he has served a sentence for a similar offense. Renewed efforts are being made to locate the man since it has become known that he has a black record behind him.

As was stated in the Observer yesterday Brown had been in the city about two weeks during which time he worked as fireman at the A. B. C. Laundry. On Sunday night he passed the bogus check and went on one of the night trains and the forgery was not discovered until Monday.

Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. Frank C. Hanrahan, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference." to A. A. Christolm of Treadwell N. Y., now... His reason is well worth reading: "For along time I suffered from indigestion, torpid liver, constipation nervousness and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old time health and vigor. Now I can attend to business every day. It is a wonderful medicine. Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at the Newlin Drug Company.

HOME CURE FOR ECZEMA.

Oil of Wintergreen, Thymol, Glycerine, etc., Used as a simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is now no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is laid. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Company of Chicago, and our long experience with this remedy has given us great confidence in its merit.—Newlin Drug Company.
