MRS CHENAULT DEAD

The funeral of Mrs. I. E. Chenault, who died yesterday at the Chenault residence eight miles east of this city, will be held from the Episcopal church tomorrow afternoon at 1:30 o'clock Rev. J. E. Horn of Baker officiating.

ating. The procession will start from the house at 11 a. m. and will arrive at the church at 1:30. Interment will be made in the Masonic cemetery.

The death of Mrs. Chenault came suddenly and while she was alone. As Mr. Chenault returned from the field where he been working he found her dead on the cot. Indications go to show that she passed suddenly and peacefully away.

The deceased was 41 years of age, is survived by her husband and four children; Ralph, Edgar, Ray and Lee. All of the children are at home. In addition to the family there are numerous relatives and friends in this city and in the valley who sincerely mourn the loss of a beloved relative and friend.

SOCIETY.

The Five Hundred Club was entertained this afternoon at the home of Mrs. Fred Kiddle at Island City.

The Daughters of the Woods, a Sunday School class of the Methodist church will give a social tomorrow evening at the church. A carefully selected program has been arranged, refreshments will be served. Admission 15 cents. The proceeds will be applied to supporting and educating a boy in India.

What is declared to be the most successful and enjoyable party of the three given by the Le Jeunesse Club, was held last evening despite the inclemency of the weather. From a social standpoint it was perfect, the guests enjoying every minute of the dancing. Punch was served with Miss Olive Masee in charge. This is the last of the series and it is not definitely decided whether or not others are to follow later in the year.

The series has proved a successful venture, socially, and the hostesses have been showered with compliments for their efforts to provide choice dancing parties for the early winter season.

THE EYE IMPORTANT

BULL EYES MADE BRIGHT.

The eye is one of the most important and delicate part of the body. "Sight is Priceless." Glasses should not be worn where no error of refraction exists, but where an error does exist they should be put on as soon as possible and worn constantly until the defect is cured. Wearing glasses once does not signify that they will always be worn. You can at any time (before the defect is cured) go back to the poorer vision if you so desire. The vision will not be poorer than it was before the glasses were worn, but will be more noticeable on account of having been accustomed to better vision. I have made a special study of the eyes and have been fitting glasses for fourteen years. Ask anyone that I have fitted for reference as to my ability, then give me a trial and be convinced. All work guaranteed.
