The Road to Success

has many obstructions, but none so desperate as poor health. Success today demands health, but Electric Bitters is the greatest health builder the world has ever known. It compels perfect action of stomach, liver, kidneys, bowels, purifies and enriches the blood, and tones and invigorates the whole system. Vigorous body and good blood are the only way you can't afford to slight Electric Bitters if weak, run down or sickly. Only 50c. Guaranteed by the Newlin Drug Co.

Great Crowd at Yale.
New Haven, Conn., shrdushrdnuu evident that the near tragedy at West Point will have no effect on the attendance or enthusiasm at the Yale-Princeton game here tomorrow. With good football weather it is anticipated that one of the biggest football crowds in the history of this city will be on hand to root for the Elis and the Tigers. The anticipated attendance is 32,000. The Yale men preserve an air of supreme confidence and entertain the theory that the Princeton Tiger will be humbled much more effectively than the Tammany Tiger in the recent election in New York. An attempt has been made to secure the attendance of President Taft at tomorrow's game. The president is in Connecticut today, attending the inauguration of President Shanklin at Wesleyan University. When the president was at Yale he manifested but little interest in football, rowing at that time being the classier sport. His son Robert, who is now at Yale, is not a football fan, and rarely appears at the games as a spectator. He is more interested in acquiring an education and maintaining a place in Yale society than in sports. He is the president of several Yale societies.
