- Polished Top. Needs no stove blacking.
- Duplex Draft. The only common-sense draft system in use.
- Complete Asbestos Lining. A triple wall at every point exposed to heat.

HOWARD HEATING STOVES

Howard wood and coal grates will burn either wood or coal

Have wood and coal burn either wood or coal. No one expects to get high grade goods at the price of "cheap stuff," but a high price guarantees high quality. Don't mistake in buying a range. Many ranges of ordinary construction are priced high or even higher than the incomparable Monarch.

WHEN YOU BUY A RANGE—
Find out what it is made of. You have a right to know these things. Any man selling ranges who says, "Our range is a fuel-saver—a perfect baker," and stops there, casts a reflection on your intelligence. If these things are true of any range, there is a reason for it—a reason you can see and understand—a reason you have a right to know before buying.

We can show in a Monarch range exactly why it does what we claim. Come and see how the Malleable iron and steel plates are riveted solidly together, insuring a tight range for unlimited time. Let us explain how tight, permanent seams are possible only in ranges where Malleable iron is used. We can show you how tight, solid construction is necessary to everything you want most in your new range—prompt, sure service—long life—and fuel economy.

GAY RIBBONS FOR WINNERS

Undaunted by the heavy weather a large number of the poultrymen came together this afternoon and are in session in the Commercial Club. Secretary Stoddard has samples of the ribbons for the winners at the mid-winter show. There are to be four prize sweepstakes, first, second and third.

The special committee appointed a week ago to plan for the poultry show reported today that they had fixed the date of the first annual show at the third week in January. The place where the show is to be held is in the Harris Hall, opposite Geddes grocery on Fir street. Frank W. Breed of Walla Walla has accepted the invitation to be present to act as judge of the fowls. The committee was composed of J. W. Black, C. C. Collidge and G. W. Wagener.

FINAL SCORE A LARGE ONE

BAKER CITY DEFEATED PENDLETON 30 TO 9.

For a Few Minutes Pendleton is Able To Gain and then Breaks.

If Pendleton has never been decisively defeated before, it was yesterday when Baker City, the team which La Grande tied a week ago, romped up and down the field at Pendleton to the tune of 30 to 9. The laughter was again

In the first half, according to local people who attended the game, Pendleton was taking joy rides in an aeroplane, fumbling repeatedly and seldom making first down. Baker City marched from one end of the field to the other for a touchdown in six minutes. At the opening of the second half, Pendleton revived and scored a touchdown and placed kick to apply on the 13 score made by Baker. Then Pendleton went up again and failed to come down and once the Baker boys blew the score was 20 to 9 in Baker's favor.

4 1-2 INCHES SNOW FALLS

STRANGE FREAK OF NATURE COVERS CITY THOROUGHLY.

During the past Twenty-four Hours unusually Heavy Snowfall.

According to the reading of the official weather observer W. A. Worstell at noon 4 1-2 inches of snow had fallen. The official reading are taken on every twenty-four hours at six o'clock. It is probable by that time the instruments will show over 5 inches of snowfall.

Among the chief occupations of the residents of the city this morning was throwing sticks and snowballs at the snow-laden lights and phone wires to rid them of their heavy burdens. A few wires were grounded by the heavy weight of the snow. On account of the muddy conditions of the streets no sleighing may be looked for this time.

Card of Thanks.

Sincerely appreciating the very great kindness of neighbors and friends during our recent sad bereavement in the death of wife and mother, we take this opportunity to express our sincere thanks.

I. E. CHENAULT & SONS.

NO MISERY IN STOMACH.

No Indigestion, Heartburn, Gas or Headache Five Minutes Later.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of indigestion or stomach trouble at any time, day or night.

This harmless preparation will digest anything you may eat and overcome a distressed, out-of-order stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat fills you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your pharmacist for a 50 cent case of Pape's Diapepsin and take a little just as soon as you can.

There will be no sour risings, no belching of undigested food mixed with acids, no stomach gasses or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or internal gripings. This will all go, and besides there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out of order stomachs, because it prevents fermentation and takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is at any drug store, waiting for you.

These large 50 cent cases contain more than sufficient to cure almost any chronic case of Dyspepsia, Indigestion or any other stomach trouble. *culai.CHLaariofJel shrdelutainrdlu*

Depositing Money in the Bank. Would you take five twenty dollar bills from your trunk, roll it in a wad and drop it through a keyhole in the bank.

Would that be the way to deposit \$100.00?

No; as a sensible business man

you would enter during banking hours, make out a deposit slip and hand it with the money through the cashier's window, and receive a proper credit in your pass book.

So, in paying out good money for real estate, the same business wisdom dictates that you require the simple formality of an abstract of title. It is the only safe way.

Don't poke your money in a rathole but secure an abstract from J. R. Oliver.
