### What Does Osteopathy Treat.

For some reason everybody upon hearing of osteopathy imagines it is a very limited treatment and good for but few ills, but not adopted to treat all sorts of conditions, acute and chronic. Such an assumption is very erroneous. Osteopathy is a complete system of medicine and is adopted to the relief and cure of all curable diseases. It is just as successful—if not much more so—in the acute field, such as the curing of la grippe, tonsillitis, pneumonia, typhoid and other fevers, cramps, colic, dyspepsia, dysentery and menstrual disorders than in the field of chronic diseases like rheumatism, paralysis, chronic dislocations and such things in the cure of which osteopathy got much of its early fame.

Many ills, usually relegated exclusively to the surgery field are better treated by osteopathy than by the knife. While osteopathy makes a good record of the fashionable operations of the day unnecessary, it recognizes the value of surgery as a last resort in many cases—yet not nearly so many as do the physicians of other and older schools—and it employs the skill of surgery when necessary.

We trust our readers will never for-

get that osteopathy covers a wide domain of diseases, more so in fact than do either of the older or "regular" medical schools of surgery, excepting both with their own lines of demarcation for multitudes of ills that fall in both the field of the physician and the surgeon as their practices are conducted.—Osteopathy Herald.

## TURKEYS ARE SCARCE

LOCAL MEAT DEALERS WILL HAVE TO SHIP TURKEYS IN.

Evidently the National Bird Will Be in Demand Here Next Week.

Local restaurants and hotels are beginning to scurry around to locate an adequate supply of turkeys for the

Thanksgiving table. It is generally reported that the national bird is going to be scarce in La Grande this holiday season. The Grande Ronde valley poultrymen have not in the past taken well to the turkey.

To forestall any shortage in the supply several of the meat dealers have arranged for shipments from outside points. One carload is coming from Wallowa, Friday. It is thought the price will range around 25 cents per pound.

### RESUME ROAD WORK.

Superintendent Campbell takes His Crew to Booth Lane Again.

Superintendent Campbell in charge of the macadamizing of Booth lane got his crew together this morning and left for the scene of the road work to renew operations after the delay caused by the freeze. He has a crew of one dozen men and will soon have the work under full swing again.

### THIS IS CERTAIN.

The Proof that La Grande Readers Cannot Deny.

What could furnish stronger evidence of the efficiency of any remedy than the test of time. Thousands of people testify that Doan's Kidney Pills cure permanently.

Grateful indorsements should go to prove the undoubted merits of this remedy. Years ago, people right in this locality testified as to the relief that they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say that time has completed their test.

H. P. Swisher, 2467 Madison St., Baker City, Oregon, says: "I speak from experience when I recommended Doan's Kidney Pills as a reliable kidney remedy. I learned of their merit at the time I was suffering from kidney complaint. The marked benefit which followed their use was very gratifying and I am only too pleased to give them my endorsement." (This is from statement made October 19, 1904.)

### Confirmed Proof.

On November 4, 1907, Mr. Swisher said: "I can speak just as highly of Doan's Kidney Pills at this time as when I published my recommendation some years ago. They cured me and I have been in good health ever since. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y. sole agents for the United States. Remember the name—Doan's—and take no other."

Well Known Hotel Keeper Uses and Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"I take pleasure in saying that I have kept Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family medicine chest for about fifteen years, and have always had satisfactory results from its use. I have administered it to a great many traveling men who were suffering from troubles for which it is recommended, and have never failed to relieve them, says J. C. Jenkins, of Glasgow, Ky. This remedy is for sale by all good dealers."

Money Comes in Bunches to A. A. Christolm of Treadwell N. Y., now... His reason is well worth reading: "For along time I suffered from indistinct, torpid liver, constipation, nervousness and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old time health and vigor. Now I can attend to business every day. It is a wonderful medicine. Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at the Newell Drug Company."
