TO OPEN REVIVALS

The Rev. Ford Ellis, pastor of the Central Christian church of this city, will leave Sunday afternoon for Union where he will open a series of evangelistic meetings. Mrs. Ellis will accompany him as pianist and Miss Constance Hastings of Milton will be the soloist and will also have charge of the congregational singing.

The Christian congregation of that town have a good church but have been without a pastor for some time. It is probable that sufficient enthusiasm will be aroused by the meeting that a pastor will be employed. The Rev. Mr. Ellis states, however, that he is going over to look into the field and see what the possibilities are.

Suffragist's Mass Meeting.

New York, Nov. 17—To raise money for the conduct of the fight for a woman suffrage amendment in South Dakota, which will be voted upon next year, is the object of a great mass meeting to be held this evening in Carnegie Hall under the auspices of the National American Woman Suffrage Association. Miss Anna H. Shaw, president of the association, will be present and deliver an address. Many other distinguished speakers will be present and expound the suffrage cause, and call on the women of the nation to come to the assistance of their sisters in South Dakota.

West Virginia Odd Fellows.

Wheeling, W. Va., Nov. 17—Nearly all of the 300 lodges of Odd Fellows in West Virginia will be represented during the grand lodge meeting, commenced today and continuing through tomorrow and Friday. During the convention the new home of the order at Elkins will be turned over to the grand lodge, probably by Henry Gasaway Davis, who is the oldest Odd Fellow in West Virginia, and who contributed liberally for the building of the home for the aged and disabled members of the order.

THE EYE IMPORTANT

The eye is one of the most important and delicate part of the body. "Sight is Priceless." Glasses should not be worn where no error of refraction exists, but where an error does exist they should be put on as soon as possible and worn constantly until the defect is cured. Wearing glasses once does not signify that they will always be worn. You can at any time (before the defect is cured) go back to the poorer vision if you so desire. The vision will not be poorer than it was before the glasses were worn, but will be more noticeable on account of having been accustomed to better vision. I have made a special study of the eyes and have been fitting glasses for fourteen years. Ask anyone that I have fitted for reference as to my ability, then give me a trial and be convinced. All work guaranteed.

Frightful Fate Averted.

"I would have been a cripple for life, from a terrible cut on my knee cap," writes Frank Dishberry, Kellier, Minn., "without Bucklen's Arnica Salve, which soon cured me." Infallible for wounds, cuts and bruises, it soon cures, burns, scalds, old sores, skin eruptions. World's best for Piles. 50c at the Newlin Drug Company.
